KATHY KIRST

EASY LATA WINNER

Sometimes the lanes are just right - your timing is there - and there's nothing more to do than win a tournament!

That was the situation faced by the 1977 Local Champion Kathy Kirst when she participated in the Ladies Amateur Tournament Association last weekend at Wonder Bowl.

The talented lefty, whose performance during the previous season could easily win her 'bowler of the year' honors, swept through the LATA finalists field at 208 a clip, with just two of the eight games under the 200 mark, and one loss.

Kathy opened with a four game block of 823 then moved onto her final block and popped in an 841, to take the \$100 first place prize money.

Her only loss was in match-7 when she faced her coach - her own mother, Debbie Kirst. The two battled like two strangers before Debbie took the match and the 30 bonus points with a 212-208 victory.

No one was even close at the finish as Kathy took the lead after the second match and stormed on to her second LATA title.

A distant second was Carol Smith who put on a strong stretch run to finish with 1633 to Kathy's 1874. The petite blonde bomber won four matches and averaged 189.1, to nose Mary Falconer by one stick. Mary averaged 181.5.

As a side-note to the tournament Kathy won an additional \$30 from fellow participants and spectators when she drew her own name in the 'pot'. The 'pot' is for the high game of each match and a few bucks are awarded to the person who has the winner's name.

Nora Johnson logged the

high game by a non-casher (the Billy Simon Award of \$25), for a 248 game.

The Thunder Bowl Award, given to the lady with the highest qualifying block of games, was presented to Nancy Huber for 1124.

Kathy Kirst

The LATA drawing winners were announced as: Pat Sheehy, the CB Radio; Dottie Frank, gold chain, Charlotte Olge, backgammon set; Starley Murray, chess set and the Windberg framed print, Sylvia Broyles.

Other winners and their prizes were Margie Schwet-helm, EK-6 Kodak camera; Hector Camargo, Fiesta Dinner Playhouse tickets; margie Egloff, terrariums; Dee Curry, bowling ball and bag, Lynda Murray, barbecue pit; Sharon Stacey, macrame plant hanger and pots, and Art Vera, \$25 cash.

The September tournament is scheduled for the 19th and 20th at Southside Lanes.

Pat Costello

A Record
299-863

Pat Costello

The explosion you heard Tuesday evening wasn't just the thunder rumbling around the city, part of it was the pin-bombardment of Pat Costello who was rolling at the Metroplex-WPBA tournament in Dallas in the Women's Professional Bowlers Association tour stop at Expressway Lanes.

Pat, who made hundreds of friends last year during the Spectacular and the WPBA stop at the Sports Palace dynamited the pins for games of 298, 266 and 299 for a new WIBC record of 863.

Word seeping out of Dallas during the pro-am of the the event is that the personable young pro will be an 'adopted' Texan after this month. Pat will be joining the staff of Don Carter's All Star lanes - east and west.

According to the WIBC Press Record Book her score eclipses Bev Ortner's previous record of 818 set during the 1968-69 season by 45 pins.

Rookie Pat McClelland of State College, Pa. also popped

in a 299 game on the final day of action.

Neither of the outstanding individual performances was good enough to take the Metroplex title, however, as peppy Vesma Grinfelds, San Francisco, beat her roommate, Virginia Norton, South Gate, California 259-247 in the final position round.

Columbia starlet Donna Ademek finished third, Martha McGowan was fourth and Judy Soutar, fifth.

Fall Festival September 23

Bowlers who enjoy the Fall Festival, co-sponsored by the San Antonio Women's and Men's Bowling Associations are hoping that the rain-gods are doing their bit now rather than September 23 when the associations takes over Comanche Park # 2 for their annual event.

Picnic-goers from a year ago will remember the drenching which dampened -but didn't stop the Festival last year.

Two new items have been added to the Fall Festival agenda this year a Plant Shop which will be operated by the ladies - and a "Happy Hour" which will feature a two-for-one sale at the beerbooth from 2 until 4 p.m.

Festivities begin at 1 p.m. and continue until 11 p.m. with a catered barbecue operated by Frank Maties running from 1 p.m. until 6 p.m. Tickets are priced at \$2.50 per person.

Bingo games will be conducted from 3 p.m. until 6 p.m. at 10¢ per card.

The Plant Shop will open at 1 p.m. with a Wheel of Fortune type game with ten cents to twenty five cents on the lucky number to win - price determined by the size of the plant.

SAWBA will again operate the Sweet Shoppe from 1 p.m. until the supply is exhausted with individual servings priced

at 25¢. Featured will be homeade cakes, pie, and cookies plus coffee and tea.

Following the day's activities music will be provided by the Blue Riders at a Western Dance from 7 until 11 p.m.

Directors of both associations will have Festival tickets available priced at \$2.50, according to Mrs. Glenda Recker, Festival chairman for the San Antonio Womens Association.

SAN PEDRO HAS NEW LEAGUE COORDINATOR

Mrs. Jean Frugia - and she pronounces it "Fru-Gee" - has assumed the League Coordinating duties at San Pedro Lanes.

The bubbly blonde has been secretary of the San Pedro Friday Nite Mixed league and rolled for a year with the Ridge Runners carrying a 144 average.

"I know I look a little wierd when I bowl," she admitted with a smile. "But when I started no one told I finished on the wrong foot, and it seems to work well for me so, I haven't changed." The Detroit native, a right hander, does indeed demonstrate the unorthodox style, but to her credit in just a few years of bowling is a 202 game with a 547 series.

San Pedro Manager, Dottie

Jean Frugia

Frank, calls Jean a 'cracker-jack' on the telephone. "She loves people and her enthusiasm is contagious. The knowledge she has gained in retail sales in her previous employments, qualifies her well for league coordinator duties. She's accustomed to dealing with the

public and she demonstrates a willingness to work with all the bowlers, solving their problems and keeping their league members happy."

The 28-year-old newlywed (she and her husband, Tom, have been married just a year) is a little of a 'frustrated auto mechanic'.

"I like to tinker around cars and some friends have taught me some of the basics and to me it's fun seeing how things tick", said Jean. Her other interest is her husband's softball games. Tom will soon be playing in a regional tournament for a 4-A Majors team sponsored by Chipman Realtors in Houston.

Tom also is a bowler, carrying a 165 average at San Pedro.

Jean's been on the job just a week or so, but is already organizing new leagues and planning for the new season. She has Junior bowler sign-up day set for the 9th of September with leagues to begin on September 23. She'll be attending the Coaches School at Bowlerama on August 27, to familiarize herself with the AJBC workings, and the Texas State Bowling Jamboree in Victoria this weekend.

Plans also include the continuation of the San Pedro Senior League which will reorganize on September 25.

All women are urged to attend and have a voice in the association's plan for the future,

which include bidding for the Texas Women's Bowling Association Championship Tournament and Convention.

Other items on the agenda are the approval of the 1978-79 budget, election of a Nominating Committee to serve for one year and presentation of WIBC, TWBA and SAWBA Awards for performance during the previous season.

Columbia Industries has just announced the appointments of Mrs. Sue Farguhar as Credit Manager and Miss Lynda Wyninegar as Personnel manager of the locally based bowling ball manufacturing company. Mrs. Farguhar has been with Columbia since 1974, doing outstanding work with the Sales Division. Miss Wyninegar has been attached to the accounting department since coming with the company in June of last year.

Miss Wyninegar and Mrs. Farguhar join the list of key women at Columbia Industries, Inc. Last December Mrs. Nancy Kerschberg was appointed Manager of Health and Safety. Mrs. Kerschberg was employed February 1977 as an Industrial Nurse. Her work and abilities were soon recognized, and when the need for a safety manager occurred, she was the logical choice. In addition to safety duties, Mrs. Kerschberg oversees the work of an additional industrial nurse to the Columbia staff.

Penny rolls 277 game at Oak Hills

"All I was trying to do was just win the game." That's what Penny McLean said after rolling a 277 game in the Summer Trio League at Oak Hills.

"Nothing was actually running through my mind at the time," McLean said. "I was just trying to win. And, I think we only won that game by four or five pins."

McLean started the league with a 161 game, came back with the 277 and finished with a 234 for a 672 series.

"I had a 10-pin spare in the first frame," McLean said. "Then, I hit nine straight before I left the 2-4-5. I threw the ball too hard in the 11th frame. Everybody had stopped and watched me, and it made me nervous. I'll never get accustom to that type of pressure."

McLean will receive WIBC and state awards for her game over 275. But, it isn't her first 277.

"I've had 277 games before," said the 37-year-old mother of two. "Last year, I had one at Oak Hills and another at Wonder Bowl, I think. I had another some time ago. I had a 270-something or 280-plus when the state tournament was in East Texas. I think I've had a 279 game also."

McLean, who has been bowling for 15 years, carries a 185 average. She is involved in the real estate, and in the oil and gas wells businesses.

"I come back and forth to town, and bowl in leagues where a team can have an alternate member," said McLean, who does a lot of traveling around the state. "I just can't get away from the sport."

"It would be nice to roll a perfect game or even a 280-plus game, but mainly I would like to bowl my first 700 series. I'm tired of the 670's. I come so close all the time."

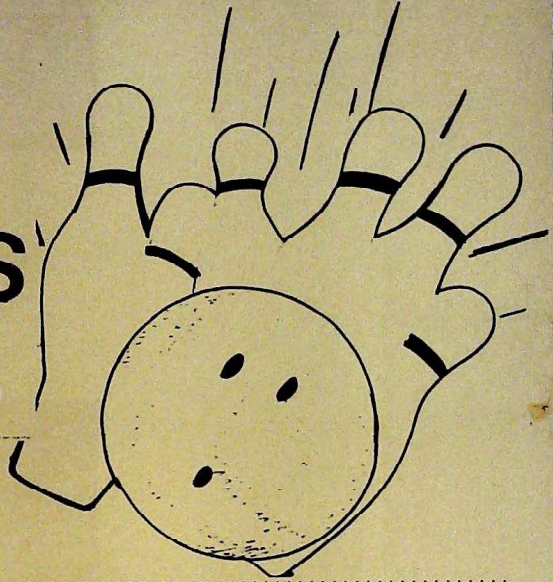

"I don't bowl that well all the time," said McLean of her 277 game. "Just look, I had a 161 in the first game. I moved a little to the right after the first game, and I guess I made the right move."

"To me, bowling is fun. I don't worry too much or think about the big games or the big series. I go to the lanes and enjoy myself. Of course, I enjoy rolling 270-plus games when I get 'em. Those are a part of the game (smile)."

Alamo City Welcomes Bev Ortner Saturday

Beverly "Bev" Ortner, Tucson, Arizona, member of the AMF professional staff will be the special guest of proprietor Joe Carmack this weekend at the Grand Opening of the NEW Billy Mitchell lanes.

Her schedule will include appearances at the newly remodeled center from 1 p.m. to 4 p.m. and 6 p.m. to 9 p.m. on Saturday. On Sunday she will be at the center from 1 p.m. to 5 p.m. On her agenda Sunday is a just-for-fun exhibition match with veteran Okie Carberry as partner against two of Billy Mitchell's top bowlers - Mary July and Jimmie Rivera.

According to Carmack the center has undergone a complete remodeling and modernization program and a complete family bowling program will be offered. Carmack is extending an invitation to all the city's bowling family to visit the new center during the weekend. Refreshments will be served during the exhibition match on Sunday.

Beverly Ortner's career should be an inspiration to any struggling bowler. She rolled a 30 the first time she tried the game and averaged a modest 139 in her first full bowling season. Less than a dozen years later, she established the women's world record for a 3-game series.

Bev has established many firsts over the last decade. The veteran member of the AMF Staff of Champions comes from a small farming community of Galva, Iowa, where she excelled in basketball and softball while attending high school. Bowling didn't seem to

Bev Ortner

be her forte, based on the paltry double figure scoring in her first try at the game. She didn't get back to the sport until after graduation when she worked in

a local bank. The diligent Bev, displaying the tenacity and dedication that would characterize her entire bowling career, slowly but surely

Billy Mitchell Re Opens

improved her game to a point where she was strong enough to join the Professional Women bowlers Association in 1965.

This topflight PWBA competition quickly honed her game. She won her initial pro title in 1967 at St. Paul and added her second the following year. At home Bev dominated the Iowa bowling scene winning the 1965 Match Game Championship in 1965; member of the State Team champions 1967 and copped the All Events title in 1968. She was also a member of the 1969 WIBC team champions.

Bev didn't attract much national prominence until the 1967-68 season when she compiled a 206 average, second highest in the nation for women. It was one particular evening during that season that has since been inscribed in bowling's history books. Competing in a men's classic league at Harmony Lanes, South Sioux City, Nebraska on the evening of Oct. 18, 1968, Bev bowled 818 on games of 267, 264 and 287, to become the first woman ever to break through the 800 barrier.

She was an All American selection in 1968 and was inducted into the Iowa Hall of Fame in 1970. The ultimate honor came in 1972 when she became the fifth woman designated for the WIBC Hall of Fame's Superior Performance Award. At the time, she was the youngest ever to be selected.

Bev currently instructs at three bowling centers in Tucson and is a potent force on the pro tour. She won a Western Women Professional Bowlers title in Las Vegas in 1975, and ranked 11th in money earnings on the 1975 PWBA circuit. She also has been selected to compete both years in the National Bowling Council's Bowling Spectaculars.

Bev hasn't stopped making the bowling record book. In 1976 she became only the second woman in WIBC history to roll three perfect games. Since then she has added another.

Astro Bowl Names Donna O'Connor

Mrs. Donna O'Connor, former junior coordinator and AJBC coach, has been named by Duke La Duke, proprietor of Astro Bowl as overall League Coordinator.

Mrs. O'Connor will be introduced to the Astro bowlers Sunday when La Duke hosts his annual League Officers Singles Tournament. The party is scheduled for 1 p.m. Sunday.

Mrs. O'Connor has directed the junior activities at two local centers and was selected by SAWBA to be one of five interested bowlers to attend the first Leadership Seminar in Austin several years ago.

FRIDAY AUGUST 25, 1978 KEGLER WORKSHOP WELL ATTENDED

If the attendance at the first two League Officers Workshops conducted by the San Antonio Women's and Men's Bowling Associations are any indication, there should be another record for the bowling family.

The first two of four workshops for interested bowlers, but particularly league officers, was held at Hermann Sons Tuesday at 10 a.m. and 7

p.m. and nearly 150 were in attendance.

Local secretaries Sylvia Broyles and Rusty Pope discussed sanctioning, handling of non-payment of league fees, league rules and the myriad other duties and concerns of league officers.

They brought the latest information regarding WIBC and ABC Rules changes and had available a wealth of

information guaranteed to insure smoother running leagues during the new season.

The second two sessions were being held yesterday as the KEGLER went to press. Site of the Thursday sessions was the Liberty National Bank and was for the convenience of northside officers.

The Workshops are a service offered by the two associations and league officers could get

their league supplies at the Workshops. Following each presentation there was a question/answer period for officers or bowlers to find solutions of individual league problems.

Mary Nava making her first Finals appearance since the formation of METRO was third and averaged 183.3 scratch, winning four matches.

Debbie Lauzon has hot series, game

Once a upon a time there was a young lady who weighed 360 pounds!

Now, this lady was a good bowler but she often tired quickly because of her obesity. But, the story has a happy ending for the lady trimmed off nearly 200 pounds and is now one consistently tough cookie on the lanes.

The above isn't really a fairy tale — it's Debbie Lauzon's true story.

"The weight loss has really helped," said the attractive 23-year-old kegler. "I can bowl now for a longer period of time and I don't get as tired as I used to. Being trim has also given me better balance and better timing."

Lauzon, who earned a spot in the Queens Meet in Miami this summer, had games of 242, 247 and 212 for a 701 series in the Pepsi Tournament at Sports Palace. That score, coupled with teammate Randy Burns' games of 249, 249 and 257 for a 755 series, gave Lauzon and Burns the doubles lead with a 1,456 total with only one weekend to go in the event last Saturday.

She didn't stop. Lauzon rolled a 279 game Monday night.

"I've been shooting rather hot lately," Lauzon said. "I had a 685 in league play week before last, and a pair of 680 series in Pepsi Tournament. I'm sitting on around \$25,000 in the Pepsi event."

Lauzon wasn't the only one hot in the Pepsi event. Harry Fletcher had games of 268, 255 and 278 for an 801 series to take over the singles event lead Saturday also.

Joe Vito Buenrostro, who was the singles leader, bounced back with games of 256, 299 and 278 for a sanctioned 833 series — his first 800 series — in the team event Sunday. Buenrostro, who has five perfect games to his credit, left a solid 10 pin in his bid for another perfect.

"I just started bowling regularly again," Lauzon said. "Especially after all the surgeries I've had. I had four surgeries the past year to help the weight problem. At one time, when I got out of high school in 1973, I weighed 360 pounds. I've lost 180 pounds since then. I'm about 180 or so now."

"During that 279 game, I had an eight-spares, a nine-spares and then struck out. But, then I got into split problems. I finished with games of 143 and 179 for a 601 series. I guess I slowed my speed down. I wish it was the last game."

"The last two weeks? I can't believe what is happening," said Lauzon, who ironically will receive her WIBC award for a 268-717 series, rolled last season, this weekend. "I've been using a Randolph ball that Bob Freehauf drilled for me some time back. It has really helped. I hadn't used that ball in two years, but, now, it's the only ball that feels comfortable on my hands."

Lauzon will receive national and state awards for her 279 game, and another WIBC award for her 700 series.

"I really feel good about the weight loss and, of course, about my bowling," Lauzon added. "I just hope I can keep it up."

SAWBA Performance Award #5 Goes To Mary Falconer

"There is just no question about it. She continues to dominate the bowling scene on the local level," said local secretary Sylvia Broyles, as she read the point total for the awarding of the Superior Performance Award for the 1977-78 season to those in attendance at the SAWBA open meeting. For the fifth consecutive year, the honor was bestowed on Mary Falconer.

To earn San Antonio Women's Bowling Association award, Mary compiled 138 points, according to president Madelyn Spreng. "Her composite average in her five leagues was a 189.5 and she had seven series over 650 during the season in sanctioned league play," said Madelyn.

The criteria for the annual award is set by the board and covers only participation in local leagues, SAWBA tournaments, TWBA and WIBC tournaments, the State, National and Local 600 Clubs, TWBA Bluebonnet Queens and other national events such as the U.S. Open and WIBC Queens. Points are given for winning the WIBC Achievement Award, any 270 games or series 650 and for the total number of league 600 series.

The Thunder Bowl center instructor had 40 series over 600 including 678, 675, two 673's, 671 and two 652's with a high game of 277 rolled at Astro Bowl.

She rolled in the Alamo City All Stars carrying a 193 average; Bluebonnet 191, Tri Strikers 190, all at Oak Hills, plus the Astro Bowl Scratch Doubles, 187, and the Wonder Bowl Ladies Major 187.

Unlike previous years when Mary received the honor and she had several tournament titles, this season there were no local, state or national wins; it was a matter of outstanding league play.

Mary, however, did do well outside the association area. She won five Ladies Amateur

Tournament Association titles, had a third and two fifth place finishes. Her highest finish in the Southwest Masters Tournament Association was fourth; and she was 22nd in the PWBA in Houston where she logged a 204.9 average for 18 games and rolled a 720 series.

She was on the fourth place team in the Martha Washington and she won the Summer Alamo City Scratch league at Oak Hills. Just recently in the SABA/SAWBA Mixed Tournament she was on the first and third place teams and she and

her husband, Kenneth, won the doubles event. No points. However, for any of these events were given.

Kenneth and Mary have three children, Kevin 14, Scott 13, and Melissa 12. They are active members of the Concordia Lutheran Church.

Runner-up for the award was 18 year-old Kathy Kirst who compiled 126 points after winning both the SAWBA Open Singles and All Events in the Championship Tournament and placing in the finals of the Bluebonnet Queens. Kathy is also the current Texas "600" Club champion after she rolled a 700 three-game series in Dallas. She had two series over the 650 mark - a 654 and 662. She had 20 series over 600. She had a composite league average of 182 in her four leagues.

The normally loquacious Mary sat in stunned silence after her name was announced. "I really expected kathy to take it this year because because she had bowled so spectacularly in tournaments. I certainly wouldn't have been disappointed if I had performed as well as she and some of the other youngsters did," said Mary. "I really feel it was a great year for women bowlers and it's a sincere honor to be recognized by the San Antonio Women's Bowling Association" she concluded.

SAWBA/SABA Workshops Tell It Like It Will Be

The San Antonio Women's Bowling Association League Officers Workshops, held in conjunction with the San Antonio Bowling Association, drew 278 information-hungry officials and interested bowlers.

The Workshops are a service of the two associations to disseminate league supplies and review the rules adopted after the two national conventions.

SAWBA distributed 239 secretary's kits and hundreds more mixed league and men's league supplies were given out.

SAWBA secretary Sylvia Broyles and SABA secretary Rusty Pope fielded hundreds of questions regarding rules, sanction filling and individual league problems during the four session, two at Hermann Sons and two at Liberty National Bank.

The major change in the operation of WIBC leagues is the new rule regarding pacers. League official should review the change prior to the adoption of league rules in their individual leagues.

The other major change was in regard to notice the membership of any general membership meeting. Hereafter notices will be sent to the league secretaries rather than to the individual women bowlers.

Pope stressed that each mixed or men's league must appoint or elect a representative from that league who is responsible for attending Council of Delegates sessions throughout the year.

Pope advised that a new procedure would be followed by the men's association in that

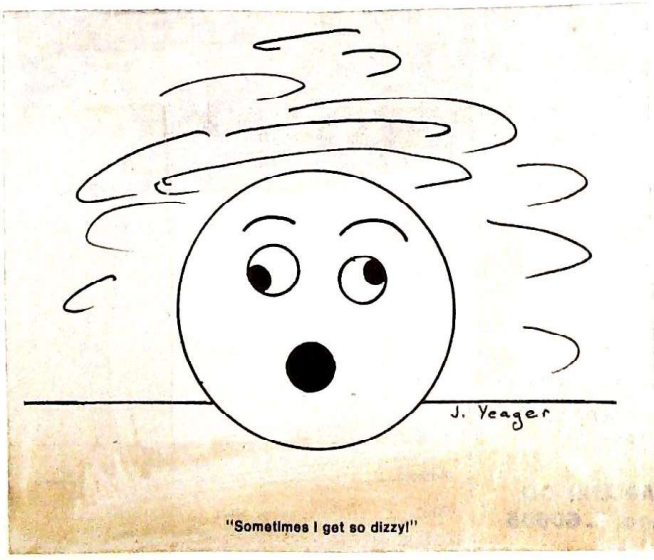

each vice president on the board will work closely with the house directors assigned to work directly with the league bowlers.

League officials are advised by both association that SAWBA and SABA Directors are not automatically required to be present at league meetings. Invitations must be submitted to Directors who are

available for consultation or assistance at any time. Secretaries were also advised that in the event they did not know their center's director, a call to either association office would result in obtaining that name and phone number.

WIBC cards for this season are \$3.25 for the ladies and \$3.50 for ABC cards.

"Sometimes I get so dizzy!"

SAWBA Reports, Elects and Awards at 1978 Open Meeting

San Antonio Women's Bowling Association president Madelyn Spreng gavelled to order the 1978 Open Membership Meeting with 49 members. Attendance at Hermann Sons Sunday afternoon.

Reports of a busy and productive year came from several officers and committee chairman and Mrs. Spreng expressed pleasure at the large number of State Champions from among the SAWBA

membership. She urged all to complete their state and national entry forms as quickly as possible due to the shortage of rooms and tournament spots in both. Deadline entries for the National Championships in Tucson, Arizona is January 12, 1979 and the TWBA deadline is January 11, 1979. The State Championships will be in Austin. Mrs. Spreng also reported on

Quoting the WIBC president, Mrs. Alberta E. Crowe, Liverpool, New York, "...You, the members, have made the WIBC and the sport of bowling great and your continued dedication will make us even greater."

"In line with this, Mrs. Broyles said, 'you will be hearing a great deal this season about the National Bowling Council "Bring A Friend" program. It is a proven fact that the way to get new league bowlers is through existing league bowlers - so the next time you go bowling - Bring A Friend!"

The membership approved the budget of \$24,025.50 for the new season based on 12,250 members at \$1.75, plus Interest-Savings Accounts, Membership Pins and the Balance Carried Forward as presented by Treasurer Helen Kalala.

Reports were also given by committee chairmen Rosalie Bushick, auditing; Marge Hancock, Ways & Means; Ella O'Quinn, Publicity and Bowlers Victory Legion; Glenda Recker, Fall Festival and Mixed Tournament, Financial; Helen Kalala. During the balloting Mary Falconer gave the "600" Club report, Mrs. Hancock reported on the Jamboree and the TWBA and WIBC Conventions. Sylvia reported that SAWBA will open a hospitality room in Austin as part of the SAWBA bid to acquire TWBA convention and tournament. A Fiesta theme has been selected and the bid will be a joint one with the Houston WBA.

Annual meeting day was set by the membership as Sunday, March 25, 1979.

Local association awards for outstanding performance were presented and the membership elected Helen Baetz, chairman of the Nominating committee, with members Gene Vineys, Kathy Kirst, Nora Johnson and Mary Falconer.

SAWBA president Madelyn Spreng and local secretary Sylvia Broyles verify vote count for 1978-79 Nominating Committee at the open meeting last Sunday.

Below, Madelyn poses with Superior Performance Winner Mary Falconer who also had the city's highest composite average last season.

a number of projects in the immediate future including the San Antonio "600" Club September 9-10, Fall Festival, September 23; Sylvia Broyles Secretaries Singles meet, October and the local championship tournament on the first three weekends in November.

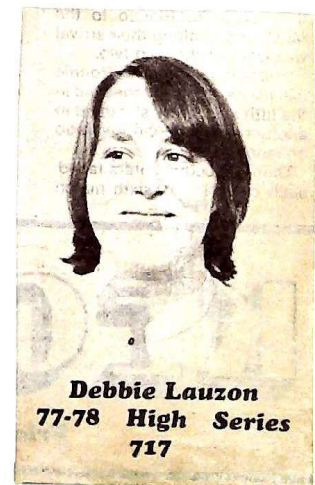

A challenge was issued to the membership by a local secretary, Sylvia Broyles-"Lets have the largest number of entries outside the Hostess City" she urge. "With the support of each of you to assist in promoting entries among the bowlers, and the proximity of the tournament site, we can accomplish the goal and meet this challenge."

Reporting on the association's increased and record-membership she advised that at the end of the 1977-78 season there were 12,372 sanctioned members with the 584 leagues. This represents an increase of approximately 600 members over the previous season.

Elfi #1-No Losses

Elfi Tomczyk wears the Ladies Amateur Tournament Association crown this month as she swept through the match game finals at Southside Lanes without a loss, and averaged 196.12 for the eight games in the Finals.

The veteran star, rolling a new LT-48 was also the most consistent of the Finalists, and at one point slammed in three consecutive 189 games.

Standing in third after Saturday's qualifying rounds, she charged into the lead with Carol Smith on Sunday, with each gal rolling 206 games. Carol inched ahead after the second match with a 237 game, while Elfi won her match with 214.

Then when Carol lost a match a 163 game, Elfi had her lowest game, 182, but the bonus points put her back on top. She followed that with a 200 and again lost her lead to Debbie Lauzon who slipped into first with a 219 game, and Elfi rolled

Elfi Tomczyk

her first 189 game. She zoomed back on top with two more 189s and finished her day's play with a 200-168 win over Debbie Mary Falconer had the day's

highest 8-game average of 198.5, but two losses on the way cost her first place as she lost the precious bonus points. She also had the Finals high game of 241 in her fifth match.

Rocky Boubel, who will no longer be eligible to roll in the METRO-170 after the September tournament, tried her luck again with the LATA and the fourth time was a charm as the hard-throwing 20 year old made her first Finals appearance.

San Pedro manager Dottie Frank, joined the LATA prior to the tournament and walked home with the Billy Simon Award for high game by a non-casher.

The Thunder Bowl award for high block during the qualifying was split between Nancy Awe and Cheryl Bodenhamer who each had a 1075.

The Saturday action was also highlighted by a roll-off for the eighth spot and alternate's spot. Penny Mc Lean and Charlene Scheel, New Braunfels, who is four months pregnant got the nod and went on to finish sixth in the Finals.

Final results and scratch averages are: 1. Elfi Tomczyk 196.12; 2. Mary Falconer 198.5; 3. Debbie Lauzon 195.37; 4. Carol Smith 182.25; 5. Laurie Jo Scales 184.5; 6. Charleen Scheel 174.7; 7. Rocky Boubel 169.25; 8. Sher Dunlap 172.7.

Geisler to Roll Opening

"600" Club Ball

Columbia Spotlited

Columbia Industries will be spotlighted by the San Antonio Women's "600" Club at their annual tournament at Bowlerama of Texas, this weekend, according to tournament director, Mrs. Myrt De Fily.

"As a gesture of appreciation for many years of support and friendship, the Board of Directors agreed to dedicate the 1978 Tournament to Columbia," said Mrs. De Fily.

"Our two-time Club champion, Mrs. Bettie Jo Geisler will roll the opening ball of the tournament at 2:30 Saturday at the first of eight squads which will be available to our members," she said.

Squad times on Saturday are 2:30 p.m., 4 p.m., 5 p.m. and 7 p.m.

On Sunday times are 1, 2:30, 4 and 5:30 p.m. and reservations are not necessary, but members must check in 30 minutes prior, to the squad desired.

"The Club's tournament is a

means of raising funds for the Bowlers Victory Legion and Col. Bruce Carright, proprietor of Bowlerama, has graciously given us a great lineage price allowing us to place extra money into our donation," said president Mary Falconer.

Of the \$6 entry fee, \$1.25 per member will be sent to the National Bowling Council, which administers the BVL Fund.

The tournament is a scratch event in two division - Div.I for members with averages of 165 and above - and Div.II for those with averages of 164 and below. A Columbia bowling ball will be given to the member rolling the highest scratch game in each division.

Members may enter twice, but cash only once. they will bowl three games with no more than three to a lane, six to a pair.

Member's renewal dues for the local and state 600 Clubs must be paid prior to bowling.

Falconer, Croce 600 Winners

The ladies of the San Antonio "600" Club staged one of their most successful annual tournaments last weekend at Col. Bruce Canright's Bowlerama of Texas lanes. The ladies dedicated their annual event to Columbia Industries, local manufacturers of the beautiful and colorful Columbia 300 bowling balls. It was the ladies way of saying 'thank you' to Columbia for their many years of support of the club and women's bowling.

To 600 Club ladies in this particular event, scoring is secondary-their primary purpose is fellowship among their 341 members and lending a helping hand to hospitalized veterans across the country. Both were accomplished.

Scoring-wise in Division I Mary Falconer, the club's president, took home the Division I trophy for her 600 even final tote, and in Division II perky Georgia Carroll Croce was the big winner with a 596.

The Bowler's Victory Legion, which helps provide recreational equipment for the country's hospitalized veterans, was the big winner, however, as each of the 162 entries placed \$1.25 into the fund. Col. Canright generously added another \$50 to the members donation, for a grand total of \$252.50 for the worthy cause.

Mary, who was just named 1977-78 SAWBA Superior Performance award winner, received an additional \$25 from Col. Canright for the high game in Division I, a 235. In Division II the \$25 prize went to petite Susan Schoenfeld for her 223 game on the final squad. Each lady was also awarded a Columbia 300 bowling ball.

High game shooters on each of the eight squads were also treated to a little incentive cash as past president and current Texas "600" Club president, Rosalie Bushick, provided a \$5 award for high game on each squad.

The merriment began prior to the tournament bowling as Myrt De Fily, tournament director, introduced a host of current and former club officers, local,

"600" Club president Mary Falconer (r) and tournament director Myrt De Fily (l) accept from Helen Burge, Bowlerama's \$50 gift for the BVL. The sum will be added to the \$202.50 raised by their participation in the Annual Tournament.

state and national bowling officials. President Falconer presented member Kathy Kirst with her winner's plaque from the 1978 Texas "600" club tournament. Miss Kirst slammed in a Division I 700 series on the opening weekend of the tournament conducted during the TWBA Tournament in Dallas.

The opening ball was rolled by former club vice president, and two-time champion, Bettie Jo Giesler, and tournament was underway.

As each member checked in for their tournament play, they sent special 'get well' greeting to club Life Member Billy Simon by way of a giant greeting card. Mrs. De Fily advised that Miss Simon is scheduled to be released from Community Hospital this week.

When all had completed their competition unofficial winners as announced by Mrs. De Fily were:

Division I: Mary Falconer 600, 2. Kathy Kirst 596, 3. Liz Smith 590, 4. Elfi Tomczyk 562, 5. Rocky Boubel and Jean Sieloff 560, 7. Gail Cantu and Dottie Frank 558, 9. Cheryl Bodenhamer and Beverly Hallowich 547.

Division II: 1. Carroll Croce 596, 2. Jo Ann Noska 585, 3. Beth Knowlton 554, 4. Isabel Huron 548, 5. Carolyn Germaadnik 544, 6. Flo Green 542, 7. Ann Perkins 529.

Trophies will be presented at the annual meeting slated for Sunday October 29, at 3 p.m. at Bowlerama Lanes.

Members who did not participate in the tournament are advised that all renewals are now due and checks in the amount of \$1.75 (local fees and state renewals are to be mailed to secretary Ella O'Quinn 1011-C Jackson Keller, 78213.

"For those who haven't been out to Comanche Park since last year's Festival, there is a special treat in store," said Mrs. Recker. "They have done a beautiful job of remodeling there during the past months. The pavilion has been enlarged and 'weather proofing' has been added in the form of covered walkways. All the booths have undergone a sprucing-up to enhance any Festival and the dancing area features a 'slick as glass' look for easy and smooth footwork," she added.

Following the afternoon long activities, bowlers, sponsors and friends will find the music provided by the Blue Riders to be easy-listening and enjoyable for dancing. The Riders will play from 7 p.m. until 11 p.m.

Barbecue plates (catered by

Frank Matias) will be available from 1 p.m. to 6 p.m. at \$2.50 per ticket. Ticket chairman are Gloria Riggs and John Elley and all directors have tickets available.

SAWBA will also add another 'first' to the Festival in the form of a Plant shop to be operated with a Wheel of Fortune type game, priced at 10¢ to 25¢, on the lucky number to win. Prices will be dependent on the size of the plant, advised chairman Irene Castaldo.

Beer prices throughout the Festival will be 35¢ with a Happy Hour (two for one) from 2 to 4 p.m. SABA past president, Richard Eichenroht will work

Mae Muenster: 87th Birthday -373 Series

The league which has a reputation for royally honoring their members on their birthdays-San Pedro's Breakfast Clubbers-had a double celebration this week when Mrs. Mae Muenster celebrated her 87th birthday.

League members to show their respect and love for Mrs. Muenster applied for a WIBC Permanent Membership and the gold card was presented at the birthday party prior to

league play by SAWBA Treasurer Mrs. Helen Kalala.

Mrs. Muenster has an enviable attendance record at the Breakfast Clubbers league and carries a 110 average. To mark her 'special day' she toppled 101 pins her first game,

escalated to a 142 her second, then finished with a 130, for a nice 373.

The very petite gracious lady is probably the city's oldest woman bowler this season. She takes no practice prior to league play, and spryly walks

toward the foul line and delivers her ball after taking one step from her starting position. She bowls in no senior citizens league, preferring instead, to compete with the ladies she loves best-the Breakfast Clubbers and daughter Cookie.

WIBC Permanent Membership cards are available to WIBC members who have been in good standing in local associations and WIBC for fifteen or more years. Permanent Memberships must be applied for through a local association, on forms obtained from WIBC, and approved by the local association Board of Directors.

SAWBA Treasurer Mrs. Helen Kalala presents WIBC Gold Permanent Membership Card #3304 to a happy Mrs. Mae Muenster at her 87th birthday party at San Pedro's Breakfast Clubbers league-(center) League president Loraine, Jud assists with cake-cutting and (right) the happy honoree smiles with daughter, Cookie.

Club Champ

Pint-sized Rocky Boubel, who eliminated herself from the METRO-170 tournament by raising her average over the 170 mark, became the first METRO-170 Champion last weekend at Astro Bowl.

She was second qualifier after Saturday's qualifying round and chuncked in a 218 final game against three-time champion Tootsie Phillips to take her newest crown.

She won 3-½ matches during the Finals and averaged 187, and the first place money of \$59.40. Rocky was seeded in the Championship by virtue of her win in the March tournament.

Mrs. Phillips who won the first METRO-170 tournament at Southside, went on to take the December and January titles, her scoring was brilliant on Saturday and she earned the \$10 prize as the leading qualifier. Her pace was slowed on Sunday due to her recent inactivity on the lanes following a serious fall at her home which has kept her from competing. For her Finals play she averaged 174.8 and won all but her last match against Rocky.

A newcomer to the Finals ranks, Mrs. Jan Waldrep finished third to earn \$35, she averaged 172.1 and accumulated 120 bonus points.

Mrs. Mary Nava, third place finisher at the August tournament was third to earn \$30; October winner Barbara Tate was fifth to take \$25 and Shirley Tipps, outgoing

president of METRO was sixth. Mrs. Debbie Kirst, former SAWBA Board Member and junior coordinator of Oak Hills, assumed the duties of METRO Tournament Director.

Mrs. Kirst's and METRO director's efforts in the future weeks will be directed to the acquiring of new members to the monthly tournament association.

The October tournament is scheduled for Goliad lanes on October 21-22 and qualifying squad time has been changed to 4 p.m.

Fall Festival Success

The barbecue eaters - the bingo players - plant fanciers - and 'kickers' among our bowling family converged on Comanche Park last Saturday for the annual SAWBA/SABA sponsored Fall Festival - and from all accounts it was a roaring success.

"Sure, we would have wished for more bowlers, sponsors and friends," said SAWBA chairman, Glenda Recker, with Cecil Poole, SABA Chairman, "But numbers weren't our major concern. Everyone seemed to have a good time and the dancers stayed until the band stopped, and they were still asking for more."

Beer sales were brisk at the SABA manned-booth and the Happy Hour was well accepted. There were hundreds who wrecked their diets with delicious array of cakes, pies and cookies dispensed at the SAWBA Sweet Shoppe. All the

Madelyn Spreng, (l) SAWBA prexy, congratulates Fall Festival co-chairman, Cecil Poole and Glenda Recker on fun festival.

food at the Sweet Shoppe was donated by SAWBA directors and friends and the booth realized \$78 profit.

Action was almost constant at the Festival's newest booth operated by SAWBA-the Plant Shop. Huge attractive hanging baskets and delicate indoor miniatures were awarded after each spin of the chance wheel inside the booth, and lucky winners headed home with armloads of greenery.

The excitement and anticipation of that 'fourth number' being called kept bingo players in their seats for more than three hours inspite of the malfunctioning microphone. Bingo gifts were donated by caring merchants, helpful proprietors and friends, and ranged from household items to bowling equipment. The bingo take was in excess of \$4,000 and the fun of playing - winning - added to the afternoon's excitement.

The San Antonio Bowling Council and proprietor Joe Carmack also helped send four bowlers into 'seventh heaven' during the afternoon.

The Council, in an attempt to raise funds for the staging of the Hall of Fame and other Council projects, raffled off two money trees. The first, in the amount of \$75, went to Class B State Doubles Champion Chris Davila and the second, with \$25 attached, was awarded to Ruby Mc Coy. Council president, Bob Martin advised the Hall of Fame banquet would be held on Sunday, February 18 at the River Room of the convention Center. He urged local bowlers to submit nominations for the Council's consideration.

Ballots are available at all bowling centers and nominees must have made outstanding contributions to the betterment of the game through either administrative or organizational work, or in any other manner deemed meritorious. Completed ballots are to be mailed to Mrs. Lew Levinson, San Pedro Lanes prior to November 30.

Wonder Bowl proprietor Carmack staged a drawing for two PBA Pro Am spots with Festival guest purchasing tickets at \$1 until pro-am fee of \$60 was reached. First winner was James Oldham and second winner Cliff Recker, whose wife, Glenda, SAWBA Festival chairman, had almost deserted him the past few weeks while taking care of Festival plans. Both Oldham and Recker expressed pleasure at the opportunity offered by Carmack to roll with the pros and the chance to compete for an estimated \$6,000 to \$7,000 in cash plus an AMF Strikeline ball.

Both Mrs. Recker and Cecil Poole heaped accolades on their fellow committee workers and the many volunteers who worked all day at the park and prior to the Festival itself.

"It was a joint effort of the two associations for the enjoyment of the bowlers and we're very appreciative for the support from the bowling community," they agreed.

Roseann Wins

The Sylvia Broyles Secretaries tournament, held this past weekend at San Pedro Lanes, was exactly what originator Clara Grimes had in mind when she suggested the idea to the SAWBA Board—an opportunity to express long-overdue appreciation to local secretary Sylvia Broyles and a fun-day for the secretaries who competed.

Roseann Stanley, secretary of the Ridge Runners at San Pedro with games of 189-155-179, 523 scratch, 664 handicap

Roseann Stanley

was declared champion after the two squads had completed their play. She entered the tournament with a 141 average and earned both the Secretaries Tournament Trophy and \$55 prize money.

Runner-up, newly-wed Judy Thompson, secretary of Wonder Bowl's Petticoat league with 572 scratch, 644 handicap. Judy also earned the tournament's high scratch game of 208, and earned \$40.

The honoree-Sylvia Broyles stroked her way to a 516 third place finish (633 finish) and earned \$30. Irene Wigginton, Ladies Major secretary from Fort Sam with 632 handicap (516 scratch) was fourth winning \$20; and Vickie Carnevale with 620 handicap (494 scratch), secretary of the Ridge Runners, earned fifth money of \$10.

Forty six secretaries entered the fun-meet and 14 bowling centers and several associations were represented.

Bowling with the local secretaries again this year was Texas Women's Bowling Association secretary, Miss Lil Poole, Hurst, Texas. Miss Poole and Mrs. Broyles had spent the afternoon Friday in Austin taping television shows promoting the TWBA State Championships, which will be held at Austin's Brunswick Capitol and Highlands Lanes in the spring.

Miss Poole left the city immediately following the first squad of the tournament for Corpus Christi where she will select the lanes for the 1980 TWBA Championship Tournament.

Tournament director Clara Grimes extended thanks to her co-chairman, Pearl Yarbrough and Helen Baetz, for assistance in staging the Secretaries Tournament and advised that the SAWBA Board of Directors approved her recommendation for the Broyles Secretaries Tournament to be an annual event, sponsored by the women's association in the future.

Mrs. Broyles will be leaving her position of local secretary at the completion of her 10th term at the end of this season. She and her husband George, will be at home near New Braunfels. Sylvia is a State Director of TWBA, a member of the WIBC Board of Directors, vice president of the local bowling Council, and member of both the State and National AJBC Boards of Directors.

The afternoon was completed with a small reception in the meeting room for both squads' participants.

Aw-w, c'mon, Sylvia, ten candles aren't that hard to blow out!!!

...or are they!!! This is the third "blow" and they are still lighted--

"Charter Charmers" Honored by Male League-

"Oh, to be a Charter Charmer" was the woeful lament of many an envious female bowler around Southside Lanes this week. But, only six gals can claim that distinction-Loeva Mc Ginnis, Inez Britton, Shirley Adams, Shirley Strauss, Tish and Barbara Tate.

The Charter Charmers are an all-woman team who got together to roll with the men after the league came up one team short for their summer session. It was the first time in the league's history that women were allowed to roll.

"Everytime we bowled against those ladies" said one league member, "We had to give it our all. They were fun to bowl against but our male pride was at stake and we took a terrible ribbing if they beat us."

President Red Holland and secretary Ray Mc Ginnis, presented their regular league awards last Thursday then surprised the ladies with their own special awards. Male league members chipped in and had attractive medallions struck for each of the Charmers to commemorate their feat. The attractive charms were in the form of necklaces with "Charter Charmers, Southside Lanes 1977-78 and the girl's name".

Barbara Tate was a dual winner and was awarded a

Barbara Tate

plaque for her 256-656 series during the summer play. The 256 was second high for the league (top was Dave Casanova with 267) and her series was fourth high with Adolph Favela taking top honors.

The ladies finished in tenth place and the Southside Lanes team of Red Holland, Pete Masse, Dwight Thomas, James Venezia and Lloyd Kirkpatrick were declared champions.

Following the league awards presentations the men competed in a just-for-fun sweeper with Dave Ellis taking high honors for his 662, Wendy Wong, second with 653, and Jimmie Valerio, third with 651.

 Kegler apologies to the Charmers-We exposed your pretty pictures-BUT-we will return to do the job right!!!

SAWBA Local Tournament Deadline Nears!!!

It was three thirty this morning when I was forced from my comfy bed to answer that monster known as a telephone!

"Lordy," thought I, "Who would be calling at this unearthly hour."

Can you believe it Sylvia Broyles!

"I just couldn't wait and I've already called Madelyn Spreng (our eager-beaver president)" Sylvia bubbled. "We have just finished receipting tournament entries for the 43rd annual tournament--and it's like a miracle--every woman who holds a WIBC card in San Antonio has entered the tournament--SIX days before closing date!"

Believe me, I DO believe in miracles--but at three thirty this was TOO MUCH!

Shaking my head to clear the cobwebs and reaching for a cup of coffee--yes, it's on at that time of night too--I realized that I was dreaming!

But, like miracles, dreams DO come true! And, there is still time for the ladies to get their entries in because the deadline isn't until **Thursday, October 19!**

Sipping my coffee so I could get back to sleep, I thought about our tournament and the reason I look forward to it each year--and why all our nearly 13,000 members should!

These Are Ten of My Reasons:

1. The tournament is the Number One service--among many more--provided for our members by the San Antonio Women's Bowling Association.

2. It is an opportunity to see some old friends with whom we

lose touch once our regular league play begins. It's fellowship and fun at its best!

3. In these days of high prices--it's the entertainment value of the year--just \$6.25 per person per event--and we don't have travel expense or hotel bells for our hobbies to pay at the end of the month because we're right here at home at Wonder Bowl (team event) and Sports Palace (singles and doubles)!

4. We're divided into Classes according to our averages and we'll compete against gals with averages as low as ours--AND SAWBA gives us 80% handicap, 'cause they realize some of us are a little weaker and older and need all the help we can get!

5. SAWBA tournament rules also allow us to bowl more than once in team event--just so no more than three players on the same team place no more than once in the prize list for position standings--and there's a special All Events category which costs only \$1.00. This fee could mean that you realize added cash after an outstanding performance! And there are plenty of squad times to fit any schedule!

6. Hallelujah! They even provide scorekeepers so we can concentrate on our game--even though Wonder Bowl has those gorgeous AMF Magic Scores!

7. Again this year SAWBA has recruited lots of help so there'll be a smiling face waiting greet us at check in; there'll be more gals walking the floor in the event we need any type of assistance, and there's a

talented force in the office waiting to check scores and posting our names on the standings board.

8. They do all this and all we have to remember is to check in 30 minutes prior to squad time. Unlike many tournaments we can have our coffee or other beverages or grab a quick bite as long as we don't hold up tournament play--and for you smokers--yes, you may!

9. After all of us have bowled our best, SAWBA then rewards us even more! There's a lo-o-o-o-ng prize list paying the wa-a-a-y down in each division and Champions and their sponsors will be saluted at the Tournament Awards Party early in December!

10. Best of all, perhaps--it's the competition! League bowling is fun--but there's just nothing like the Local Tournament! Competition is fierce--after all, wouldn't it be a dream come true to wear that Local Champion's crown! Ask anyone who's been there!

Miracles do happen--dreams do come true--the 43rd annual tournament entry deadline is near! You can't enjoy any of the above unless you get your name on the dotted line! Hurry!

METRO-170 Kicks Off New Season At Goliad

METRO-170, the monthly tournament company for women with averages of 170 and below, opens its new season on October 21-22 at Goliad Lanes.

According to president Billie Wheeler membership dues have been reduced to \$10 per member and the tournaments carry a \$17 entry fee each month. Of the \$17, ten dollars goes into the prized fund and \$5 is allocated for lineage. Should the lineage be less than \$5, the balance is returned to the prize fund. Two dollars of the fee is the director's fee.

METRO-170 is a scratch event for women bowlers under the 170 average mark and contestants roll four qualifying games with the top six advancing to the Finals. Bowlers may attempt to qualify only once and prizes are distributed on a 1-4 basis.

According to Mrs. Wheeler the qualifying squad time was changed to 4 p.m. for the new season, to allow those who work on Saturdays to participate. Finals are at 2:30 on Sunday.

All qualifiers must be signed up no later than 30 minutes prior to the qualifying, and no entries will be accepted after 3:30 p.m.

Dues of \$10 may be paid in two equal installments All at joining and the following month. Dues are due at the Goliad tournament.

METRO-170 offers two monthly special prizes of \$10 - one for the leading qualifier and one for the member who rolls the high game during the qualifying, but does not cash.

The event is WIBC sanctioned (Comp. Sanc. 159) and Mrs. Debbie Kirst is the 1978-79 tournament director.

The ladies will not roll in November to allow members to participate in the SAWBA Championship tournament at Sports Palace and Wonder Bowl and they will not roll in June so that they may participate in the Martha Washington at Oak Hills.

After the October tournament at Goliad, the tournament will rotate in this order: December 16-17, Thunder Bowl; January 20-21, Turner Club; February 17-18 Billy Mitchell; April 28-29, (the fourth weekend) at Oak Hills when the Qualifying round will be at 3 p.m.; May 26-27, Hermann Sons and July 21-22 at San Pedro lanes.

Ladies with averages under 170, who wish to join, are urged to be at the host center at least 45 minutes prior to squad time at 4 p.m.

Serving with Mrs. Wheeler this season are Laura Anstine vice president, Ella O'Quinn, secretary - treasurer, Nancy Pope, sergeant-at-arms and directors Helen Kalala, Gene Vineys, Margaret Winton, Mary Nava and Barbara Tate.

Gene Vineys Wins Metro Season Opener

A year ago most of our female bowlers weren't acquainted with Eugenia Ann Vineys, but the 1977 SAWBA Championship Tournament changed that! Since last November Eugenia slammed her way into first place handicap in Class A with a total score of 1942 on the second weekend of the tournament—plus recording the tournament's high series to that time—a 649, and now she's become a known contender in the women's ranks.

Now that the gals have gotten to know her, she's "Gene". Gene is a career Army nurse, assistant chief of Nursing Science Division of the Academy of Sciences at Fort Sam Houston and she is the new season's first METRO-170 Champion.

When Gene came down from Maryland and her home in California she was carrying an average in the mid-140's to 150's. After moving to the city she went to a fingertip and the pins have been falling fast.

For her six games in the finals she averaged 185-8, losing just her opening match to leader qualifier, Laura Anstine. During the qualifying on Saturday she opened with a 229, one of only six games over 200 for the Metro members, and finished at plus 63.

At Goliad

THE WINNERS: Gene Vineys accepts winners check from METRO-170 tournament director Debbie Kirst. (Below) Prez-to-Prez: Billie Wheeler, current prez hooks a necklace for past president Shirley Tipps. The necklace was a memento from the membership in appreciation for Shirley's leadership of METRO-170 during the first season.

Her second game on Sunday was her low, 176, then she slammed in three 190-plus games—191, 195 and 191 before closing out with a position round 179 against Nancy Awe.

Gene won last August's METRO at the Palace finishing at plus -212 and she was the alternate in the Championship Tournament.

She has also taken her chances with the ladies of LATA and fared very well, making the Finals and finishing sixth.

She had her hands full warding off the charge from Nancy Awe, who has also gotten her feet wet with the LATA before. The two smooth righthanders were one-and-two in the standings after four games then faced each other. It was a nip-and-tuck battle going to the wire in the final frame. Nancy pulled her ball just a bit and chopped off the three-pin from the six and dropped the match and the 30 bonus points. They faced each other again in the position round just one lane away with Gene again taking Nancy's measure to the tune of 179-161.

Club vice president, Laura Anstine, was the real spoiler of the day. She dropped Shirley Tipps in the position round 178-

171, spoiling her birthday bid for the title, and her victory in the round dropped Nancy into third.

For the Finals Laura averaged 176.6 winning five matches. Nancy averaged 177.8 and dropped three tough matches.

One of the 'heart-breakers' of the afternoon came in the third match when new member, Susan Schoenfeld, and Nancy strapped it on. Matching mark for mark and strike for strike, the two beauties battled to a 196-195 finish with Nancy taking the win.

Before the Finals could get under way there was a three way tie for the sixth spot with Susan, Sandra Lacey and Jan Waldrep. Susan earned the spot by taking the roll-off game by two pins.

According to club president, Billie Wheeler, there were four new members signed. All fared exceptionally well in their first tournament. Nancy Awe, Shelley Hudek and Susan Schoenfeld made the finals, Sandra Lacey was the alternate and Eva De Martino rolled in the qualifying.

Club prized of \$10 were awarded to Margaret Winton for her 210 game (high game non casher) and Laura as leading qualifier.

According to tournament director, Debbie Kirst, there will be no tournament in November so the ladies may compete in the SAWBA championship Tournament, but action will resume in December at Thunder Bowl on December 16-17 at the Christmas Tournament.

Pesky Eighth Frame Halts Falconer's Bid for Top Series

By JOHNNY CAMPOS

Mary Falconer couldn't complain about the lanes at Oak Hills Friday morning, but she could have done without that pesky eighth frame.

She started out her first two games in the Tri-Strike league with seven straight strikes, spared in the eighth her first game and chopped the 2-4-5 in her second game, struck out both times and finished with successive games of 278 and 265.

Falconer's third game was a 191, but it was enough for a 734 series.

"I was very fortunate that the pocket hits were carrying," said Falconer, who has had eight other 700s in her bowling career and tossed 22 strikes her first two games. "Everybody kept saying that if everybody had left me alone that last game I might have bowled better. But I just flat blew it."

Her big series missed the highest total ever by a San Antonio female by 20 pins. Jan Goodwin rolled a 754 series at Southside in the 1971-72 season.

"Okie Carberry drilled me a new ball, a Manta," Falconer pointed out. "He told me about it and talked me into getting it, and I really feel it was the ball. It's drilled very, very well for me."

She has had the new ball for about a week and a half, and besides her 734 she has bowled three 600s and averaged right at 200 in last weekend's SWMBA tournament in Waco, where she finished fourth.

"Until I got that ball I was really struggling," Falconer noted. "This ball takes out the corner pins. I have a lot of confidence in the drill and a lot of confidence in the ball."

"That last game I couldn't get the strikes together," she continued. "I left one big split, left the 2-5-8 and chopped the 2-8 off the 5."

"But I can't complain."

Her 278 in the first game missed her all-time high game by one pin.

But despite her success on the lanes, Falconer said she still has a few goals to reach, like getting past 280, perhaps to 300 to match the pair of perfect games rolled by her husband, Ken. She also has that 754 to shoot at.

"But when you're bowling over there (Oak Hills), watch out for the eighth frame. It's a killer."

MARY FALCONER Falls short of record

Friday November 3, 1978

Mary Has 278-734

Mary Falconer may acquire a psychological block about the eighth frame after her performance last week in the Tri-Strikers league at Oak Hills.

Mary opened her morning's play with a 278 game, followed it with a 265, then a 191 for a 734 series.

In her 278 game in the eighth frame she slammed in a pretty good ball but had to settle for a spare before striking out. In the second game she once again struck all the way to the eighth frame before leaving the 2-4-5, which she chopped.

For the five-time SAWBA Superior Performance winner, it was her 9th series over the 700 mark, but one of her first series rolling with the new ball drilled by Okie Carberry. "The Manta takes out the corner pins. For weeks I've just been struggling along but I have confidence in the drill and confidence in the ball," said the loquacious righthander.

Mary averaged right at 200 during the SWMBA at Waco, finishing fourth, and had rolled

Local Tourney Opens Saturday

***** \$12,764 At Stake For Ladies *****

Local women bowlers will have their eyes on the San Antonio Women's Bowling Association's second largest prize fund of \$12,764 this weekend when the 43rd annual running of the SAWBA tournament begins at Wonder Bowl (team event) and Sports Palace (Singles & Doubles).

The event which is handicapped 80% with four Classes drew 314 five-woman teams will have 19 team squads and 16 squads of singles and doubles over the first three weekends of November. The local champion is the highest all event total, regardless of class, and class champions are high scratch totals.

There were 583 sets of singles and doubles entered and 1058 optional all events entries, according to tournament director Mrs. Sylvia Broyles.

According to Mrs. Broyles, bowlers who top last year's scores in the various events and classes will be carving a new record for the association. "We re-arranged our record book and retired previous scores because the average alignment was changed for the classes. Scores which won last year are those to beat as 'all-time records' this year, and in the future, until the format is changed again."

Beverly Pantuso holds the all time All Events title for her 1873

Defending Champ & Winners Trophy

set in November of 1971.

Defending champion is Kathy Kirst who logged a 1796 in the 1977 local tournament. She also carded a scratch 599 in Class A Singles when the tournament was held at Oak Hills and Southside.

For the Senior Citizens the record is held by Mayselle Bauman who registered a 220-544 in the November 1975

tournament. A trophy is given annually by SAWBA to the senior who records the high single scratch game and scratch series during the tournament.

SAWBA also offers special prizes of \$5 each for the tournament high game and series on a scratch basis.

All participants are to check in one-half hour before scheduled time of events and must show WIBC card upon

checking in. Replacements may be allowed for just cause in any event upon notification to the local secretary at least one hour before schedule time of event.

Scorekeepers will be provided by SAWBA, and any player arriving late shall begin play with the score counting, beginning with the frame then being bowled. No frames may be made up and no absentee average is permissible in tournament play.

Squads on the first weekend are at Wonder Bowl - 12 noon, 3 p.m. and 6 p.m. on Saturday, and on Sunday at 12 noon and 3 p.m. At the Palace Singles and doubles squads are at 12 noon and 3 p.m. At the Palace singles and doubles squads are at 12:30 p.m., 3:45 p.m. and 7 p.m. on Saturday and 11 a.m. and 2:15 p.m. on Sunday.

Mrs. Broyles will maintain the tournament office at Wonder Bowl with Pearl Yarbrough and Clara Grimes in charge of the tournament office at the Palace.

Trophies to be awarded winners early in January will be on display at the tournament centers.

Once again the association will have displays of jewelry for member's purchase and SAWBA membership pins, a fund raising project of the elected delegates, will be available. A new item in the boutique will be SAWBA bowling towels.

Hall of Fame Nomination Deadline Nears

There are only about two weeks remaining before the deadline of November 30 to submit you nomination for the San Antonio Bowling Association Hall of Fame.

For weeks posters with ballots have been in all lanes but the response has been poor. Balloting is easy. Choose a candidate who has been, or is, a resident within the area served by the San Antonio Bowling Association and the San Antonio Women's Bowling Association who has made outstanding contributions to the betterment of the game - either through administrative or organizational work or in any other manner deemed meritorious - and jot down the

facts to back-up your nomination.

Ballots are then to be mailed or delivered to Mr. Lew Levinson at San Pedro Lanes, 126 W. Rector (78216).

There is no denying the merits of the people already chosen for the Hall and the only problem has been in honoring so many others who appear to be just as deserving. This is the highest honor the bowling family in the city can offer to its 'greats' of the past and also to its stars of today.

Naturally all cannot be honored, or it would cheapen the value of membership. But think back to your own bowling career - who was the leader of your association or our league - who was your sponsor - who was the 'hottest' person on the lanes at the time you started - who helped you the most! That's the person the Hall of Fame committee is seeking!

Bowlers talk! You've heard some marvelous stories about 'the good old days'...so who was everyone talking about? Submit that name!!!

Already enshrined in the Hall of Fame since it was created in 1970 are Billy Simon, Charles Trueter, Harold Scherwitz, Helen Baetz, Bob Harris, Willie Granieri, Grace Baskin and Gus Pfeiffer.

Eight were honored in 1974 when Norby Penhorn, Erna Hauffer, Jo Novak, Myrt De Fily, Lil Canfield, Clara Grasso, H.L. Buckner and Bert Weltens came in. In 1975 it was Alice Iltis and Gayle Hayes; 1976 Lew Levinson, Betty and Jerry Merck Sr., patriarch of the famous bowling family, were inducted and last year Columbia Industries' Roger Zeller was chosen.

The deeds and contributions of so many more have been

600 Club Has Record Year !!

The San Antonio Women's "600" Club officer and directors reported to their membership of a highly successful year and elected their first two honorary members.

Under the leadership of president Mary Falconer members learned of two successful tournaments conducted during the past ten months which aided both the Bowlers Victory Legion and the National Hall of Fame Museum fund drive.

Former members Mrs. Erna Hauffer, who is confined to a local nursing home, and Mrs. Lil Ganfield, who has undergone surgery and is unable to actively participate, were designated the Club's first two Honorary Members.

The members approved the same basic format for the 1979 Club tournament but altered the check-in time. SAWBA secretary, who will be retiring at the end of her term, was named

Christmas project which had been dropped for several years. The members gave the responsibility of the project to a committee comprised of Mrs. Mc Lean, Gail Cantu, Debbie Kirst and secretar Ella O'Quinn.

Mrs. Falconer suggested that Club members again consider Club shirts, particularly in view of the fact that the Texas Women's Bowling Association tournament and the Texas 600 Club Tournaments would be in Austin in 1979. She urged all members to make plan now to participate. Members approved a style and color of the member's choice with SAW "600" Club Logo on the back. Members may make their selections at either Bowler's Pro Shop or Wayne's Shirt Shops where the logos will be available.

The Club also approved the sponsoring of one Senior Citizen team to the TWBA Championship Tournament.

In the election for the one half of the Club's Board of Directors, Carol Smith was

New membership rosters were available at the meeting and may be obtained from the secretary's office or from President Falconer.

Club awards were given for the high game and series by a member and for the Most 600's by a member in the two tournament divisions, and the 1978 tournament trophies were presented at the meeting. In Division I High game trophy went to Jody Wright for the 288 rolled last season. Debbie Laizon for a 717 series highest rolled by a Club member in the average category 165 and above.

In Division II, 64 and under, Nita Stein received her charm award for a 278 game rolled at Astro Bowl and Jackie Byers, with 648, took Division II high series honors.

The Most 600s Award based on percentage of games rolled went to Mary Falconer. She had 21% and tallied 41 series over the 600 mark.

Mrs. Falconer advised that \$130.50 was sent to the Hall/Museum drive by the member's donations of \$1 at the first Billy Simon "600" doubles tournament held at Southside Lanes. She acknowledged winners Gloria Riggs and Terrie Eads and thanked Southside proprietor Frank Hunt for his companion donation of 25¢ per member. The Simon Doubles were held in February as a salute to Club Life Member Billy Simon whose birthday was celebrated by the members during the tournament.

In September the Club staged its annual tournament for its membership which was a record 341 for the past season. The tournament was at Bowlerama of Texas lanes with \$1.25 from each entry earmarked for the BVL. col Ganright of Bowlerama added another \$50 to the ladies' donation bringing the total to \$252.50, the largest donation generated by the Club to date.

as Tournament Director for the Club for the next year. Elected to serve on the Site Committee were Kathy Kirst, Penny Mc Lean and Myrt De Fily, chairman.

Elected to serve as the 1978-79 Nominating Committee were Beverly Hallowich, Gail Cantu and Dee Fender.

Mrs. Falconer suggested re-instituting an annual Club named to serve as president, Nell Recroft as vice president,

Mary Falconer and Nita Stein receive "600" Club awards from Vice President Myrt De Fily.

Madelyn Spreng to continue as Sergeant At Arms and Rosalie Bushick as Director No. 2. Officers will assume their posts on January 1 to server two year terms.

Two women got into the high scoring swing as Libby Fauley, rolling with a 159 average smashed a 279 game in the Wednesday night St. Pius Mixed league at Astro Bowl, just a few lanes away from Jose Jimenez who also popped in a 279.

At the base lanes at Fort Sam Houston an attractive lanky six footer, Ruth James, made up for her sub-par performance in the SAWBA Tournament, even strike out until her 12th ball left the 3-6-10.

During the local tournament her team needed her to mark out to take over first place. She converted the 5-10 and struck, and even though she was the only member under the 500 mark, the team registered 2694, good enough for first.

Maybe - just maybe - now that it's time for the women professionals to be in town, we can all improve our scores following their appearance!

SAWBA Tourney Ends With Sunday Squads

The standings board of the San Antonio Women's Bowling Association championship tournament took the biggest beating of the year last weekend as the tournament rolled through the second weekend at Wonder Bowl and the Sports Palace.

All the handicap first places changed in Team Event, two doubles and singles leaders changed, and new leaders were posted in Class B, C and D in All Events.

Debbie Lauzon retained her lead in Class A All Events, Van Gehle took over Class B, Nancy Williams zipped into Class C and Dorothy Pettit jumped into first in Class D.

Maggie Nance has the tournament high scratch game of 253 rolled on the opening weekend, but Dorothy Mac Manus slammed in the high series to date on the strength of a 213, 221 and 235 in her team event for her Superior Pontiac team in Class B. Mrs. Mac Manus carries a book average of 163.

The Dover Elevator team of Mary Laughlin (573), Billie Wildenstein (501), Norma Pape (419), Sally Joliffe (526), and Sandy Smith (632), carded a 3068 handicap in Class A team event to take the lead, while the Alamo Ettes of Charlene Brown (536), Whelan (531), Rachel Leonhardt (505), Ruby Connel (520) and Ruth James (460) swept into first in Class B handicap.

Aided by a first 600 from

Shirley Faust (622), the Half Pints took the lead in Class C team event, Scratch and handicap. Members are Bobbie Coe 317, Dorothy Pettit 511, Lucretia Ray 476 and Cookie Phillips with 547.

La Kemper's birthday with 2233 scratch, 2338 handicap. Gracie Beltran with 476, Graciela Hernandez 475, Olga with 341, Inocencia Nunez, 451, and Maria Ardilla, 490 were responsible for the leading scores.

Action was spirited in all Doubles classes as former champs Bettie Jo Geisler and Jerry Johnson carded the high scratch score of 164 in Class A as Sandra Hull and Vickie Nelson popped in 1291 handicap.

Debbie Lauzon and Lina Mata continue to lead scratch B Doubles but Doris Lanier and Dollie Hoskins, a former city champion, moved into second. In Class C action Nancy Williams and Sandi Shellman registered a 1028 scratch score and also became the leaders in handicap with 1056.

In Class D Lois Pope and Patsy Steubing maintained their lead in both scratch and handicap with 1009/1011.

Singles action found Debbie Lauzon and Fay Tidrick holding their positions while Doris Steines with 626 scratch, 630 handicap rewrote the Class B class scores. Bobbie Jordan maintained her lead in Class C and Ranita Chambers took Class D leads in both scratch and handicap with 491/503.

In the all-time records under the new format in the Senior citizens category, the KEGLER wishes to correct an error. Cookie Roberts rolled the highest senior citizen score in the 1977 tournament. She did it with a high game of 232 and 591. Cookie established the record and will be protecting it this weekend as she competes in her singles and doubles at the Palace. Her record was broken on the first weekend by Evelyn Barrett with a 217 game, 592 series. SAWBA offers a special senior award for high game and series but the winner can win only one. Should Evelyn's score hold the game award to date will go to former record holder Mayselle Bauman who logged a 209 game last weekend.

There will be five more team squads on Saturday and Sunday and five more doubles and singles. Team squads are at 12 noon, 2 and 6 p.m. on Saturday and at 11 and 2:15 p.m. on Sunday. Since the WPBA pro-ams will be rolling on one side of the Sports Palace, the tournament need not pay the admission charge involved for the Pro-Ams.

Hallowich Has 288!!

Beverly Hallowich, long one of the city's top female competitors, slammed in a 288 game for her all-woman's team in an all male league - the Oak Hills Majors - last Thursday night just after the KEGLER went to press.

Beverly was rolling with a 179 average at the time of her big game and completed her night's play with a 159 and 166 for a 613 series.

Debbie Lauzon Local Champion !!!

After nearly 1600 members of the San Antonio Women's Bowling Association completed their tournament play at Wonder Bowl and Sports Palace in the local championship tournament last weekend, ten new records went into the record book, plus a new Senior Citizen series score.

Debbie Lauzon will be crowned the 1978 Local Championship in ceremonies shortly after the first of the year, when the association stages its annual Awards Party. Debbie registered a team score of 551, coupled with a 633 doubles tally, and had 620 in her singles event for an 1804 All Events total in Class A action.

Debbie's score shaded the previous high score of Kathy Kirst last season by eight pins. The SAWBA local tournament format was changed last year when the association voted to have just four classes.

In the local tournament scratch score winners in each event are declared Champions and the member with the highest all events scratch score, regardless of class is designated Local Champion.

Joining Debbie as new All Events champions in their respective classes and Van Gehl with 1679 in Class B and Nancy E. Williams, 1594, in Class C. The Class D All Events score set by Colleen S. Zinsitz was not topped, but Gloria Bodthe earned the 1978 title with 1454.

In team event only the Class D score was topped by Beal's Bunch with 2263. In Class A Big State Electric logged 2835 to take the title; in Class B it was OH, Heavens with 2671, and in Class C, Red Carpet took the title with 2503.

All of the Doubles champions will be new names in the record

book. Bettie Jo Geisler and Jerry Johnson copped Class A honors with 1164, Lina Mata and Debbie Lauzon topped Class B with 1147; Nancy Williams and Sandi Shellman took Class C honor with 1028 and Lois Pope and Patsy Steubing are the new Class D champs with 1009.

In Singles the top three classes each have new champions. Debbie Lauzon's 620 paced Class A, Doris Steines' 626 swamped Billie Wheeler's 608 of last season;

and Bobbie Jordan's 579 topped Pat Cumberland's 549 of last year. In Class D Ranita Chambers had 491, six pins short of the 1977 record of Linda Mercer.

The high tournament game was a 256 rolled by Virginia Kama during her team event with the Yellow Ginger team. She will receive \$5 for the game.

The high tournament series was rolled by Dorothy Mac Mannes, a 669, and she will also be awarded \$5.

In the Senior Division for

those ladies with WIBC Senior Division sanction cards, Evelyn Barrett set a new record with her 217-592. She will be awarded a plaque for her efforts and since only one award per individual is called for the tournament rules, Mayselle Bauman will receive the high game plaque for her 209 game.

All scores are unofficial pending a canvass of all scores and the top three in each division handicap will be printed next week.

"600" Club To Play Santa To Handicapped

Jingle bells, punch and cookies, a magician, stockings and gifts, and of course, Santa Claus himself are the ingredients for the San Antonio Women's "600" Club Christmas Party to be held Wednesday, December 13, at Wonder Bowl.

Guests of honor will be about 60 mentally retarded and handicapped children who participate in the City Parks and Recreation Department bowling program.

Members are asked by president Mary Falconer to donate \$3 each to help defray the cost of the gifts, food and beverages and other incidental expenses.

The Christmas Party project, approved by the membership at the annual meeting, will be chaired by Penny Mc Lean. Members have volunteered to serve on various sub-committees, such as decorations, sandwiches, cookies, fruit, gift wrapping, and telephone reminding.

A professional magician, Claude Crowe, will provide the entertainment for the youngsters.

The Christmas Party will be from 11:30 a.m. until 2 p.m. and members are urged to send their donation to the San Antonio "600" Club office at 1011 C Jackson Keller (78213) or deliver to the person assigned to collect at the lanes.

Three New Faces On SAWBA Board

There's a new look on the San Antonio Women's Bowling Association Board of Directors with the appointment of three women to fill spots on the Board as Directors.

Donna O'Connor, Sybol Gerdes and Jennie Everhart, who served previously, have been appointed by president Madelyn Spreng. Mrs. Everhart will be assigned as the director at Randolph lane, Sybol Gerdes will be the director for All Star Lanes. Merion Valentine will serve as Director at Large.

Mrs. Spreng also made several committee assignments for the coming year. To serve as regular members on the San Antonio bowling Council are Mrs. Spreng and Helen Kalala, joining secretary Sylvia Broyles and Tip Pfeiffer. Alternate will

be Clara Grimes and Myrt De Fily.

Pearl Yarbrough was named to the Southwest Texas JBA board replacing Olivia Osborne, and Judy Thompson was named to the Hall of Fame Committee replacing Lois Scott. Donna O'Connor replaces Dee Capps on the BVL committee.

Tournament prize lists are at all lanes for the women's review and prize checks will be mailed on December 18. The Awards Party is set for January 6, at Sims Fine Arts Center, by invitation only for champions, guests and boards members. Tip Pfeiffer, Clara Grimes and president Spreng are the members of the Awards Party Committee.

Search On For '81.....

Sylvia Turns Talent Scout

Local secretary Sylvia Broyles wears many "hats" in her bowling world, and now she's turning "Talent Scout"!

SAWBA is bidding for the 1981 Texas Women's Bowling Association Convention and tournament, the ladies association must provide entertainment for the delegates of TWBA who will select the hostess city for '81.

SAWBA has selected a Fiesta Theme for their bid and members will perform in a skit based on the television "Gong Show".

"I didn't know there was so much 'talent' for the funny part of the skit, or that so many of the gals were willing to try out to be 'gonged' laughed Sylvia.

"But we do need TALENT - serious talent," she added, "And, that's what we're searching for now."

"Auditions for the skit will be Friday, January 12, at 7 p.m. in the Ballroom at Hermann Sons. We are searching out any girls who play any type of musical instruments, have good voices, or other talents, to help us with our bid. It's a lot of fun for those participating in the skit, and we want to provide spectacular entertainment for

the delegates."

"I can assure you that the majority of the girls who will be voting to give us the tournament, base their selection of the tournament city on its talent and fun of the skits. Houston, against whom we will be bidding, is loaded with talent and money - but I feel San Antonio has even more to offer.

"This is not the time to hide your talents under a bushel basket. We need the best! We

ask that any girl who is interested in sharing her talent and helping SAWBA, come to the auditions on January 12," she concluded.

The San Antonio WBA will make their bid in Austin during the 1979 annual meeting and banquet in the spring. The San Antonio WBA and Houston WBA are having a joint hospitality room on Thursday evening prior to the convention to 'woo' delegates votes.

and sympathy goes to FRANK HUNT, of Southside Lanes, and his family after the death of Frank's sister this past week.

Carol Smith Wins First LATA Title

"I want to go home now," said the blonde bomber, Carol Smith, jokingly after the seventh game of the 8-game Finals of the Ladies Amateur Tournament Association at San Pedro lanes.

The charter member and official historian (scrapbook keeper and cartoonist) was heading for her first LATA title since the association was organized, but feeling just a bit nervous over being a 'bridesmaid' all too often.

Carol had a 49 pin edge over Cheryl Bodenhamer and a 70 edge over Mary Falconer after seven games - Cheryl had just taken the measure of early leader, Myrt De Fily, 204-190, and Mary had just zapped Carol 236-231.

Carol's nervousness showed a bit in the third and fourth frames of the position round as she split in each, but she settled down, popping in a double in the fifth and sixth then went on to take the title. Carol's been to the well before and come up empty, so it did her nerves no good to watch as Cheryl completed her finals play. In spite of Cheryl's tenth frame doubles and nine-count, Carol took the match 171-168.

One pair away Mary was racing Myrt but even though she took the match 183-168, and earned the 30 bonus points, it wasn't enough to spoil Carol's time in the spotlight. Mary's win did move her into the runner-up position ahead of Cheryl.

Overall for her finals play Carol averaged 204, winning six of her eight matches she worked her way from dead last to the top, losing only to Cheryl in match-5 and to Mary in the seventh. During the qualifying on Saturday she averaged 185 for the six games with a 232 high game.

Mary averaged 200.3 in the finals and also took 6 match wins. In the qualifying she averaged 193.5 to Cheryl's 193-even. Cheryl's average for her Finals play was 197.5 and she took five matches.

Throughout the day Sunday there were only two leaders - Myrt for the first three matches, and Carol from there on.

LATA president Sher Dunlap advised that two new members joined the ranks of the organization - Donna Tarter and Jill Mc Laughlin. Donna had a qualifying average of

Carol Smith receives \$100 first place prize check from LATA president Sher Dunlap.

176.1, and Jill, in spite of rolling with a wrist fresh out of a cast, was the 7th qualifier. She finished sixth in the overall standings.

Liz Smith and Debbie Kirst added a little tournament excitement as they had to have a one-game roll off for the alternate's spot. Each finished their qualifying play a -96, then Liz took the one-game match to serve as the tournament's alternate. The Thunder Bowl Award however went to Debbie for the high block by a non-finalist for her 1104.

The Billy Simon Award was split by Gene Vineys and Sher Dunlap for their 223 games.

Twenty-four members rolled in the Christmas tournament and the overall finals average

was 187.9. High game for the Finals was a 256 by Carol Smith in her match against Kathy Kirst, but Kathy had the overall tournament high game of 266 during Saturday's qualifying.

The next LATA Tournament will be at Oak Hills lanes on January 13-14 with qualifying at 2:30 p.m. Details about membership or the tournament may be obtained by January director Gail Cantu at 696-0196.

Final standings: 1. Carol Smith \$100, 2. Mary Falconer \$90, 3. Cheryl Bodenhamer \$80, 4. Myrt De Fily \$70, 192.5 average, 5. Kathy Kirst \$60, 175.1, 6. Jill Mc Laughlin \$50, 178.3, 7. Debbie Lauzon \$40, 179.6, 8. Penny Mc Lean (leading qualifier) \$30, 176.3, alternate Liz Smith \$25.

Three Named To Council Hall Of Fame

Mrs. Sylvia Broyles, E.J. (Egg) Eyhorn and Mrs. Lillian Cobb were named by the San Antonio Bowling Council for induction into the San Antonio Hall of Fame according to Bob Martin, president of the Council.

The trio will be honored at a banquet on Sunday, February 18 at the River Room of the Convention Center.

Sylvia, of course, is the local women's association secretary who will retire at the completion of her term this year. She is a current WIBC Board member, a member of the Texas Women's Bowling Association Board of

Directors and has been active on the local bowling scene since 1963. Her Contribution on the lanes and administratively are legion. Both Egg Eyhorn and Mrs. Lillian Cobb are pioneers of the bowling game in San Antonio and Mrs. Cobb will be honored posthumously.

Like Mrs. Cobb, Eyhorn was a star of the lanes in the early 30's and late 40's. He was one of four men to captain a team going to the ABC Tournament in the early 30's (Dick Reinarz, Bert Weltens another Hall member and Le Roy Behrens were the other three).

In May of 1939 he was

carrying a 209 average and had an unheard of series of 708 at the Broadway Lanes in 1941. He also bowled matches against the national traveling pros which included Buddy Bomar and Bill Flesch, who were the match game doubles champs of the day.

Mrs. Cobb bowled in the days when Billy Simon was the dominating force in women's bowling.

Though unable to bowl for several years, Eyhorn is a regular visitor to Bowlerama lanes and follows the action of today's stars with avid interest often a spectator when the Traveling League bowls.

In the weeks ahead the KEGLER will be giving more background information regarding the three honorees, and as quickly as the Council makes ticket arrangements we will bring that information to you.

The talented trio will join last year's honoree, Roger Zeller of Columbia Industries, Billy Simon, Helen Baetz, Bob Harris, Gus Pfeiffer, Grace Baskin, Lew Levinson, Betty Wise, Lil Canfield, Myrt De Fily, Jerry Merck, Sr. Norby Peshorn, Erna Hauffer, Bert Weltens, and Alice Ittis.

Honored members now deceased are Charles D. Trueter, Harold Scherwitz, Willie Granieri, Jo Novak, Clara Grasso, H.L. Buckner and Gayle Hayes.

Supply Sergeant Wins Metro-170

The ladies with averages under 170, banded together in a monthly tournament company known as METRO-170, crowned another champion Sunday at Thunder Bowl. Anita Meloncon, a new-comer to the Alamo City, won all but one of her match-game finals and took home the \$50 first place prize money.

Anita, a Supply Sergeant at Kelly who transferred from Georgia, averaged 167 scratch for her Finals - the first time she entered the tournament company or competed in match play competition.

Anita is an all-round athlete competing in baseball as a pitcher, catcher and shortstop. She was a member of the state championship team in slo-pitch and was invited to attend the tryouts for the U.S. Olympic volleyball team. She's rolling in two leagues at Kelly - Tuesday and Friday - and won the Tactical Air Command bowling tournament at Moody AFB with a 249-668 last year.

The extremely pleasant new member, who has been stationed in Alaska, is a native Texan from Hamshire. She's been in the service since 1974.

In tournament action Jan Waldrep spoiled Sandra Lacy's holidays and bid for the title by jumping from third into the runner-up spot on the final match.

While Anita was taking the final match and the 30 bonus points from Sandy, Jan was disposing of Colleen Kenworthy 175-165. The win and bonus points allowed her to go ahead of Sandy.

Anita had one of Sunday's 200 games and Sandy had the other, a 201. On Saturday during qualifying Roxanne Cox also a new member, slammed in a 207, Jan opened with a 204 and Dubney Ramsey had 206, which also earned for her the \$10 high-game, non-casher award.

Susan Schoenfeld was the leading qualifier and received the METRO special prize of \$10.

The Club added seven new members to its roster and two former members returned to compete. Membership is \$10 annually, payable in two equal installments, and entry into the tournament is \$17, with \$10 being placed in the prize fund. The Club acknowledged the generosity of Thunder Bowl in the Christmas lineage price and extended thanks to the center for the use of the party room.

Prior to the tournament on Saturday members enjoyed a Christmas party and exchanged gag-gifts.

Final Standings: 1. Meloncon \$50, 2. Waldrep \$32; 3. Lacy \$26.50; 4-5. Tie. Susan Schoenfeld-Colleen Kenworthy \$21.95 each; 6. Roxanne Cox \$19. Margaret Winton was alternate, \$10.

The January tournament will be at Turner Club on January 20-21 with qualifying on Saturday at 4 p.m. New members are asked to check in at 3:15.

New "600" Prexy**

Mary Falconer and Carol Smith

Mary Falconer (1) out-going president of the San Antonio "600" Club presents incoming president, Carol Smith, with the gavel symbolic of the president's office.

Mrs. Smith, a former Texas "600" Club Division 1 Champion, has been an active member of the local club and has served on various committees prior to her election.

The Club - the state's largest local 600 Club - had a record membership of 641 last season under Mrs. Falconer's leadership. Two tournaments were held for the membership

the Annual 600 Club tournament and, for the first time, the Billy Simon 600 Doubles tournament at Southside lanes last February. From the added fee to the entry fee members were allowed to send to the Bowlers Victory Legion \$222 and an additional \$130.50 to the National Hall of Fame and Museum Drive.

The Club Closed its successful year with a Christmas Party at Wonder Bowl for a group of mentally retarded and handicapped young bowlers - with the membership chipping in to defray the cost.

Happiness Is--

A MagicScore Pro-Am Entry

It may take until Easter to wipe the smile off the face of Jose Jimenez - after receiving his pre-Christmas gift from Astro Bowl proprietor, Duke La Duke!

Jose, if you will remember, slammed in an 806 series, with back-to-back 279 games on October 11 in the St. Pius Mixed at Astro Bowl, and he's had the hottest hand in town ever since, including a 268, 254, 248/770 at the Palace shortly before Christmas.

La Duke, together with every other proprietor in the city, pledged to give full support to the PBA-AMF MagicScore Open Pro-Am and Wonder Bowl proprietor, Joe Carmack's venture on January 29.

Everything jelled like a well-mixed fruit salad the Wednesday before Christmas. Duke stopped league play in the St. Pius Mixed and introduced Rusty Pope, secretary of the men's association, for the presentation of Jose's ABC 800 ring.

As the league gave Jose a standing ovation, Rusty slipped the ring on the finger of a very nervous but smiling Jose.

Then Duke took the microphone and made one of Jose's dreams come true! A paid spot in the MagicScore Open pro-am, courtesy of the staff and management of Astro Bowl! The usually loquacious smiling restaurateur, who is employed by the Baptist Memorial, was literally speechless!

Jose's entry is the first from one of the cooperative proprietors, although the first tournament entry was received from the printer - Eddie Lefler - who provided the entry forms.

It's going to take the efforts of all San Antonio bowlers to make the Pro-Am and MagicScore a success so that the pros will return to San Antonio again.

In addition to entering the Pro-Am, there is another way to help Carmack is putting together a Souvenir Program and ad space is available.

For bowlers operating their

own businesses 1/4 page ads are priced at \$35, 1/2 page is \$50, 1/2 page is \$75 and Full page is \$125.

Order forms are available at Wonder Bowl but ad copy must be in Carmack's hands by January 15.

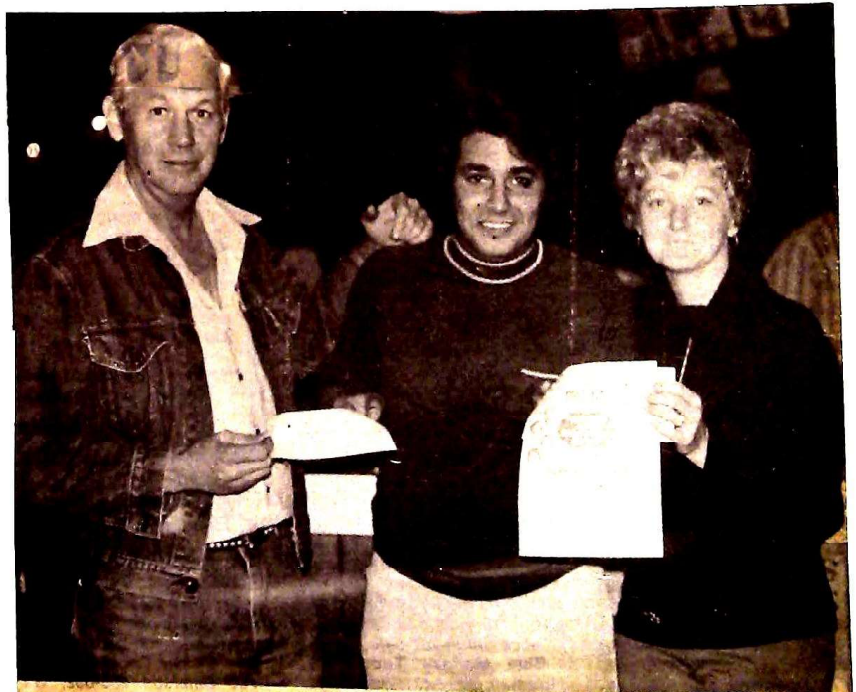

Each purchaser of a full page ad will receive two general admission passes to the MagicScore, and each purchaser of a 1/2 page ad will receive one General Admission pass.

Season tickets are now available at most lane control counters, priced at \$20, or may be obtained by calling Wonder Bowl at 655-1610. Seating will be limited, and since PBA has control of the reserved seats there is no estimate of the number of reserved seats to be made available.

Male bowlers wishing to place their names on the waiting list for the Rabbit Squad, may do so by contacting Wonder Bowl also.

The word "cheerful" is said to come from the Latin cara, meaning "face."

Your Signature Needed!!!

Petitions Circulate To Return Pro Bowler TV Show To Us!!!

Happy New Year — but once again we won't be able to watch the exciting PBA "Pro Bowling Tour" program - unless you act now!

The San Antonio Bowling Proprietors, San Antonio Men's and Women's Associations have joined hands in an all-out effort to have ABC-TV Sports reconsider the decision of one man at their local ABC affiliate (Ch 12, KSAT)

YOU CAN HELP! With this issue of the KEGLER each bowling center in being provided a supply of petitions, directed to Mr. Jim Spence, Senior Vice President, ABC TV Sports, in New York, urging ABC to direct their affiliate to carry the Pro Bowlers Tour in this market.

According to proprietor's attorney, Frank Baskin, the time is ripe. Arrangements have been made to carry the AMF-PBA MagicScore Open at Wonder Bowl, January 30-February 3 and that's great! The show will be aired in this area, however, there are NO plans for future showing of the PBA Tour.

Baskin stated, at a recent bowling proprietors luncheon, "The only way we can make our desires known to those in more authority; and those who have control over the actions of the local television, is by the petition route. They must be made aware that San Antonio area bowlers WANT the Pro Tour bowling program."

All possible avenues of plea have been exhausted. Joe Carmack, Wonder Bowl and Billy Mitchell proprietor and president of the local bowling proprietors association, attempted to meet with James Schiavone of Ch. 12, and was repulsed at every turn. Many of you signed the petitions last season, and these were also

ignored. Letters were sent to the FCC, expressing our displeasure with Schiavone's decision. Tom Holbrook, Columbia Industries advertising specialist, made several visits to Ch 12, even giving the PBA rating statistics in other markets where the show is aired — Schiavone would not budge — we were deprived of the bowling show while Ch 12 aired Tarzan!

Now, it's time to go over his head and let ABC-TV know how we feel about being deprived of the great sports event.

PBA Commissioner Joseph R. Antenora just announced that prize money will average nearly \$100,000 weekly on the Tour which starts the first week in January in Anaheim, Calif., with the \$100,000 Miller High Life Classic.

The \$100,000 Firestone "721" Classic, a new tournament which will be held at Miami,

Fla., Feb. 27 - Mar. 3, raises to 11 the number of events which will carry \$100,000 or better prize funds.

The BPAA U.S. Open, one of bowling's toughest events which bring together the nation's leading league players and pros, will be contested at Windsor Locks, Conn., for an increased prize fund of \$125,000, April 1-7.

The Showboat Invitational at Las Vegas, Jan. 7-13, also is valued at \$125,000, and the Firestone Tournament of Champions, at \$150,000, remains the richest stop on the tour.

Antenora said the ABC Television again will carry the finals of each of the 16 tournaments, noting that the televised series, known as "Pro Bowlers Tour," enters its 18th consecutive year on ABC.

We may be unable to watch the first four Classics, prior to

the MagicScore Open, but we COULD be able to view the remaining eleven.

The petitions are at the lanes. It's up to you to get enough signatures to fill the pages please make certain that each signature is legible, giving complete addressed and zip codes. But don't wait for some one else to start-do it yourself!

When your lists are complete, either return them into the control counter at your favorite lane, to the men's, women's or proprietor's association for MAILING NO LATER THAN JANUARY 15.

We suggest that you pass the petitions through your leagues; that each center have petitions available at the control counter for signatures of those folks who enjoy the program.

We must let Jim Spence of ABC-TV Sports in New York, that we want the Pro Tour back on Television - here in San Antonio!

If You Want It Back - Act Now !!!
