Vol. 16 No. 11

Friday, August 21, 1992

Regardless of whether they have health problems - use wheelchairs - walkers - crutches - or cane -- ANYONE can bowl. That's the belief of Helen Duval of Berkeley, CA.

And, she's proven that fact time after time - on the lanes and during her hundreds of bowling clinics.

The accomplished WIBC Hall of Famer, still competes on the lanes, but spends most of her time conducting learn-to-bowl clinics for hospitalized veterans and bowlers throughout the country.

She is the Honorary Chairman of the BVL Fund and visits about 25 hospitals conducting classes.

Sunday she will be the guest of Astro Bowling Center and the San Antonio Women's Bowling Assn. from 1 until 5 p.m. for one of her now famous clinics (by invitation only). On Monday evening she will be at Oak Hills Bowling Cen-

New Leadership Era Begins At WIBC As Joyce Deitch Take Reins

Joyce Deitch of Las Vegas was elected the seventh President in WIBC history by the 3483 delegates attending WIBC's 76th Annual Meeting at Baton Rouge.

Deitch, who is WIBC's first vice president, will assume her three-year presidential term August 1. She succeeds retiring President Gladys M. Banker of W. Virginia.

"What do you say about being elected President of the largest women's sports organization in the world? Deitch said. "You can wrap some pretty wonderful thoughts around words like commitment, and report on your vision for future..."

..."Together we can refine our goals and refocus our objectives to adapt to the needs of today's women,"

said Deitch. "You have proven your right to lead WIBC, and our focus is stated in words we said here. WIBC is dynamic women hand-in-hand, united in a common cause. We'll face the future with courage, faith and integrity together."

Deitch was the sole candidate nominated by the WIBC Nominating Committee for the office of WIBC President.

Increase

This year's most hotly debated legislation was a proposed amendment to increase WIBC national dues from \$2.75 to \$6. Numerous delegates spoke both for and against the increase with floor discussion lasting 57 minutes. Two alternative amendments were proposed and defeated. One would have raised WIBC dues by \$1 and the other would

WIBC President Joyce Deitch

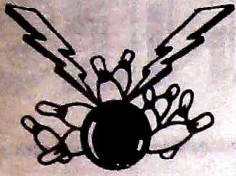

have raised dues by \$2.50.

Amendments

In other legislative action, delegates followed the recommendation of the WIBC Board of Directors approving 19, defeating 12, not considering one and withdrawing one of 33 proposed amendments.

One amendment changed bylaws to allow not only U.S. cities to host the WIBC Championship Tournament but Canadian cities as well. Another adds a new membership classification - International Affiliate Membership. -- a special for ladies who are not serviced by certified associations. Cost of IAM will be \$50 and carries all the privileges of regular membership.

Under one adopted amendment WIBC will be allowed to create a national membership database to provide direct communication to members and determine member needs.

SAWBA Garage Sale This Saturday At Astro

SAWBA is having a Garage Sale this Saturday (October 23) from 9 a.m. to 3 p.m. in the Astro Bowl parking area.

According to Liz Hewitt, SAWBA publicity chairman, some of the 'treasures' collected to date are: children's toys, at least one telephone a car seat, some beautiful sheet sets (complete pillow cas-

es), bath towels and bowling towels. In addition are some items of clothing electric hair curlers, luggage, and an assortment of bowling pins (the kind you "pin" on). Something for almost everyone!

Shop 'til you drop -- proceeds from this sale go toward SAWBA Ways & means and Delegates expenses.

Spaghetti Supper To Benefit Youth Scholarship Fund

Here's an opportunity for all bowlers to help fund the youth Scholarship Fund.

SAWBA's Board of Directors is hosting a Family Spaghetti Dinner on November 6 (Saturday) at MacArthur Park, Pavilion #4.

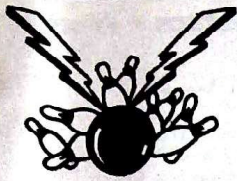

Serving time is 11 a.m. to 4 p.m. Advance sale ticket prices are \$5.00 for adults, \$3 for children 12 and under. At the gate prices are \$6 and \$4, proceeds to benefit the S. A. Bowling Council Scholarship Fund.

In addition to the spaghetti din-

ner there'll be a bake and dessert sale for anyone with a craving for sweets -- and rumor has it that among things, a cheesecake and an Italian creme cake will be available.

Included in the family-fun day will be bingo games with some special games just for the kids. Prizes will be awarded and secretary Rhonda Vasbinder will be wearing an interesting hat!

Tickets can be obtained from SAWBA directors or the SAWBA office.
