Record State Mixed Off & Runnin' For 6-Weekends

The San Antonio Bowling Council has been anticipating hosting Texas bowlers who are competing in the Texas Mixed Tournament for almost a year - and last Saturday they rolled out the red carpet for the opening squad bowlers.

Local and State Council members applauded the poise of the five 4th graders who served as Color Guard for presentation of the Colors to open the event. The girls were all members of Girl Scout Troup #651 from the Concoridan Lutheran Church school.

Greetings and

Con't P. 3

The record entry for the 12th annual State Mixed is also hosted by Astro Bowling Center (singles and doubles) and continues each weekend until mid-November.

Bowlers nationwide

mourn loss of local writer

By Harry Page
Express-News Staff Writer

Joe Vito Buenrostro was featured with a picture in Ella O'Quinn's first edition of the San Antonio Kegger in June of 1976 and her final publication last week.

O'Quinn, 65, a nationally known writer, publicist, administrator and supporter in the bowling industry, died Sunday morning at home.

"Her death will leave a void in any local or area bowling tournament," Buenrostro said. "She was always there. She played a big part in my being inducted into the local and state Halls of Fame."

People who knew the six-time

Texas Women's Writer of the Year and local Hall of Fame member were shocked.

"It's unbelievable," said Mary Falconer, an eight-time local Superior Performance Award winner. "Ella was a special lady. They don't make any more like her. She took time with every one and made them feel like they were special. She blessed so many people she touched."

Funeral services for O'Quinn will be held at 1 p.m. Wednesday at the Porter Loring Funeral Chapel. A room will be open for mourners after 5 p.m. Tuesday. Burial is at Chapel Hill Cemetery.

Ella O'Quinn published the bowling weekly The Kegger for more than 18 years.

"It's a stunner," said PBA national tour director Johnny Carnpos at the pros' tournament stop in Rochester, N.Y. "She was like a second mother to me, and a mother to all bowlers in San Antonio."

"Ella was a longtime friend of the PBA, both personally and pro-

fessionally," said Kevin Shippy, the PBA's director of public relations. "She was instrumental in getting the city behind us when we were in San Antonio."

"I remember that she supported the Lady Pro Bowlers Tour as well as the PBA's event," said LPBT commissioner John Falzone from Rockford, Ill. "Obviously, the bowling community is going to miss her."

Among O'Quinn's bowling achievements was earning the Wood Award for excellence in promotion of bowling through journalism. She was named member emeritus of the Texas 600 Club in 1987 and served in every capacity

in the San Antonio Women's Bowling Association, including president.

"Ella lived for the game and loved the people who participated in bowling," said Lil Poole of Hurst, a TWBA Hall of Famer and former state secretary. "She was a talented person who had a way with words. She could put them on paper in such a beautiful fashion. She was a fixture in the game for more than 35 years, at least."

"There aren't any words to describe Ella," said Bob Martin, the local SABA secretary. "She can't be replaced. It was like a bowling ball, just part of the game. It's a part that isn't going to be there any more."

"Ella was one of the pioneers in bowling," said Betty Holzmann, the president of SAWBA. "She had so many years invested in the game. Whenever you needed any thing, you could count on Ella. It's simple — when you thought of bowling, you thought of Ella."

"Whether you agreed with Ella or not she always commanded respect," said Sylvia Broyles, a WIBC vice-president and current TWBA secretary. "She gave her time in what she believed."

O'Quinn is survived by her husband, Karl; two daughters, Kathy and Karen; and her mother, Ella Woodbury.

Delegates from your association who will be attending the 1994 WIBC Annual Meeting in Salt Lake City will have the privilege of wearing two stars on their delegate name badge to signify this level of excellence.

Enclosed is a certificate of recognition which should be suitably displayed in your association office. You will also find enclosed camera-ready artwork of the STAR Program logo for two STAR associations. We encourage you to use this logo on your association letterhead and any other printed material you distribute.

We wish you continued success as you start working toward achieving your third star. Information regarding specific criteria for earning the third star will be available in Salt Lake City. The third star application will put greater emphasis on member services. In order to give associations an opportunity to develop programs consistent with the level of performance and expectation that will be necessary to achieve their third star, applications for the third star will be available in June, 1995.

Thank you for your interest in the program and if you have any questions and if you have any questions please feel free to contact us.

Sincerely,

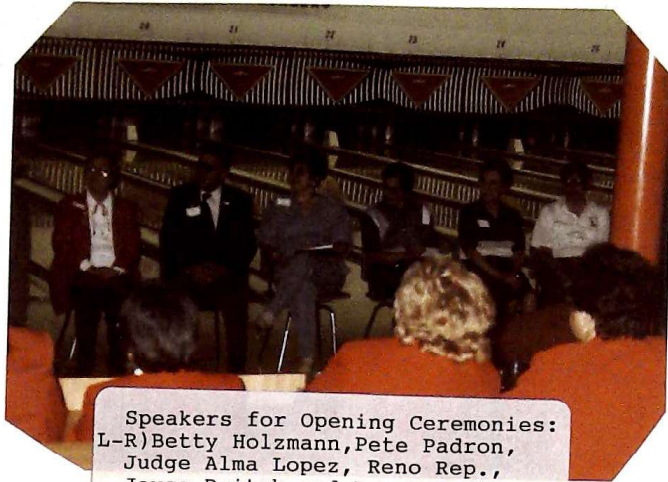

Joyce Deitch, President
Women's International Bowling Congress

57th Annual San Antonio W.B.A. Championship Tournament

Your Board of Directors is proud to announce that the 57th Annual SAWBA Championship Tournament for the 1994-1995 season is now open! Team event is being held at Oak Hills Bowling Center, while the Doubles and Singles events are at Wonder Bowl. A complete prize list is posted at each center. The dates are, February 11, 12, 18, 19, 25 and 26.

At the Team house, participants will be given a questionnaire/survey at check-in to complete. From the information gathered in the surveys, we will be able to serve our membership even better.

During the check-in process at the Doubles and Singles house, the participants will be asked if they like the 4 women or the 5 women teams.

Two special features will be held during the tournament. The B.V.L. (Bowlers Victory Legion, benefits our Veterans) fund-raiser will be held during the Team event. Entry fee is \$1.00 with \$.60 donation to the B.V.L. and \$.40 going into the prize fund. Most pins over average in the second game wins the pot. The National Bowling Hall of Fame Museum (NBHFM) special feature will be held during the Doubles and Singles event. Entry fee is \$1.00 with \$.50 donation to the NBHFM and \$.50 going into the prize fund. Most pins over average in the second game wins the pot.

During Team competition, participants will be able to pick up some "Instant Cash" for various split conversions and for stringing strikes.

Team USA will be available to enter once again, this is a great opportunity for our lady bowlers. Don't forget to check out the new "200" pins, they look nice!

Ways and Means

Come on by and visit the concession tables which will be at both tournament centers. Some of the items that will be on sale are, SAWBA pins, novelty pins, towels, T-shirts, delicious peanut brittle, and a new item, Bowling Shoe Bags, made by some of our very own Board members.

The T-shirts are getting rave reviews, and are moving fast, so be sure to stop by as soon as you can before the popular colors and sizes are gone. While you are "shopping", say hello to the Ways and Means committee members, Billie Wheeler, Margaret Kuhstoss, LaDonna Flores, and Chairman, Ruth James.

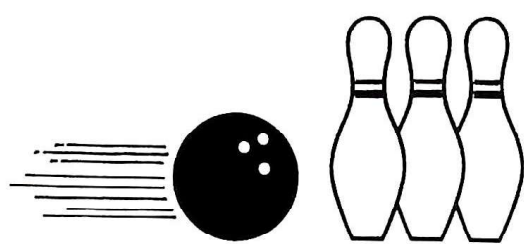

Texas Women's Bowling Association Championship Tournament

Ladies, don't forget to pick up a TWBA (State) Tournament entry form at your bowling center. The Tournament will be held in Dallas this year. Entries close February 16, 1995, so get a team together and send that entry in!

CONGRATULATIONS TO THE HALL OF FAME INDUCTEES

ON SATURDAY, FEBRUARY 4, 1995, THE SAN ANTONIO BOWLING COUNCIL HELD THE 24TH ANNUAL HALL OF FAME BANQUET AT SEVEN OAKS HOTEL & CONFERENCE CENTER. THE INDUCTEES IN THE SUPERIOR PERFORMANCE CATEGORY WERE, NORM CLARK AND CURTIS ELLIOT. THE INDUCTEES IN THE ADMINISTRATIVE SERVICE CATEGORY WERE DORRIS TANNER, AND JIM PESTELLO. JOHN JONES, PRESIDENT OF THE SAN ANTONIO BOWLING COUNCIL WAS THE MASTER OF CEREMONIES WITH CHARLES ALTMAN GIVING THE INVOCATION. CONGRATULATIONS TO EACH ONE OF YOU!

Service Representatives

Each year, the Service Rep Committee meets with SAWBA members who are interested in becoming Service Reps. The functions of the Service Rep are to assist the House Director in the distribution of league supplies, tournament entries, and administrative information the center might need from SAWBA or WIBC. League visitations are made while promoting our City Tournament. Basically, a Service Rep is a liaison between the San Antonio WBA and the bowling center (sort of like public relations), assisting both entities while dealing with other bowlers and promoting the sport of bowling.

If you are interested in becoming a Service Representative, contact any of your SAWBA Directors, or the committee, Jane Wright and LaDonna Flores

City Tournament Awards Ceremony To Follow Annual Meeting

EVERYONE is invited to attend the SAWBA ANNUAL MEETING AND AWARDS CEREMONY on MARCH 26, 1995 at the Holiday Inn NW at 1:30 pm. Find out who is on the ballot for election to the BOARD of DIRECTORS, and how they plan to represent you. REMEMBER, this is an ORGANIZATION that REPRESENTS you, the MEMBERSHIP. DECISIONS ARE MADE CONCERNING you, and you should HAVE SOME INPUT INTO these DECISIONS. YOU HAVE a VOICE in your VOTE, EXERCISE it. AFTER the ANNUAL MEETING, the AWARDS CEREMONY will BEGIN. THE CITY TOURNAMENT CHAMPIONS in each division will RECEIVE ENGRAVED PLAQUES, and HAVE their PICTURES TAKEN. WE would LOVE to MEET and VISIT with you. SEE you THERE!
